Exalted Ruler's Message- Kim McIlonie

Well, it's finally the holiday season, which means the next two months are going to fly by! I'm freshly back from the Mid-Year AEA Convention, and I always leave these events feeling pumped up with the spirit of Elkdom. It's wonderful to hear about all the amazing things we do as Elks in our individual lodges, districts, and throughout the state. During the convention alone, we raised $276,487 for AEMP, presented the Steele Children's Research Center with a $250,000 check, and heard from its new director, Dr. Lisa Chamberlain, who expressed tremendous gratitude for the Elks' partnership. Without the generosity and donations of our members, they couldn't accomplish all the incredible things they are doing in pediatric research. We should all be proud of the difference we make! We brought home two awards for the 2025–2026 year! We earned first place in the South District for the highest membership growth, at 4.3%, and first place for the most Welcome Home Kits completed in our district. Congratulations Catalina Mountain Lodge members!! MEMBERSHIP, MEMBERSHIP, MEMBERSHIP! We need members! We want to bring our delinquent members back into the fold while continuing to recruit new members.

Please tell your friends about the Elks and all the wonderful things we do for our veterans, youth, and communities. Invite them to join you for an event—dinner, bingo, darts, football, or even just to enjoy a nice beverage and some great company. We have a lot going on this month, starting with our Winner Winner Chicken Dinner event. Be sure to sign up at the Lodge! Larry makes the best darned chicken, and this event is always a lot of fun. The following Saturday, November 14, we'll celebrate a tremendous milestone with our Mortgage Burning Ceremony! We'll be honored to host Arizona State President Frank Buso and his lovely wife, Angela, along with Arizona Special Deputy Jerry Grimes and his wife, Linda. Paying off our mortgage is an incredible accomplishment and a testament to the hard work, dedication, and commitment of our Lodge and its members I am so looking forward to celebrating this special occasion with all of you!

Fraternally,
Kim McIlonie,Exalted Ruler

Leading Knight - Lisa Hensley

October was a busy and fun month at Catalina Mountain Elks Lodge #2815! We enjoyed plenty of opportunities to gather with friends, share good meals, and support the causes that mean so much to our Lodge. Thank you to everyone who joined us and helped make it such an enjoyable month.Our Clothe a Child '70s Party was a wonderful way to kick things off! We had a great time enjoying a little nostalgia, sharing laughs, and spending an evening together for a worthwhile cause. Events like this brought out the fun and generosity of our members while reminding us of the difference we can make together. A special thank-you to Leslie Huerta and Cindy Lefaive for a wonderful, fun evening! We appreciate the time, thought, and effort you put into making it special. Thank you also to all the volunteers who helped along the way and to everyone who came out to support Clothe a Child.The fun continued throughout October with Bingo, Bunco, Trivia, Texas Hold'em, and Game Night. Darts on the patio and Sunday football gave us more chances to enjoy some friendly competition and catch up with friends. Our sandwich nights, tacos, and ribs dinner brought us together around the table, and Music Bingo added another evening of entertainment. Halloween Trunk or Treat rounded out the month with some festive fun.

Our veterans group once again did a great job with the Veterans Games. Their events are always thoughtfully planned and enjoyable, and this one was no exception! We appreciate their dedication and the effort they put into bringing everyone together. A big thank-you to all the volunteers who helped make the event possible and to everyone who participated. Your time and support were an important part of its success.We also had a wonderful time at the October convention. It was informative, as always, and gave us the opportunity to hear what other Lodges were doing, exchange ideas, and learn from one another. It was nice to catch up with familiar faces and meet new people who shared our dedication to Elkdom. Hearing about the activities and charitable efforts of other Lodges gave us plenty to think about and ideas to bring home. We left with a renewed appreciation for the work Elks did throughout our communities and the friendships that connected us. Looking back on the month, we had so many people to thank. All of the volunteers all played a part in making our Lodge activities possible. Whether you helped prepare a meal, set up, cleaned up afterward, or came out to support an event, your contribution was appreciated. October's activities reflected the time and care our members give to our Lodge. Looking ahead to November, please join us on November 11 for our free Veterans Day breakfast from 7:30 to 9:30 a.m. Flags will go up at 7 a.m. and come down at 5 p.m. We look forward to gathering to honor our veterans and thank them for their service. Please make plans to join us for breakfast and take part in this meaningful day. With Thanksgiving approaching, I am thankful for the friendships, kindness, and generosity within our Lodge. As Leading Knight, I look forward to continuing our work together in the spirit of Charity and finding more ways to help those in our community. Please check the November calendar for upcoming activities and join us whenever you can. Wishing you and your families a wonderful Thanksgiving. I look forward to seeing you around the Lodge!

Fraternally,

Lisa Hensley,Esteemed Leading Knight

Secretary's Corner - Mimi Wittenborn

First, I want to wish everyone a very Happy Thanksgiving!!

It doesn't seem possible that 2026 is almost over… WOW I know every month (almost) I "nag" the committee chairs for their event reporting forms but I'm not sure I have explained way we need them. Any time anyone of us volunteers our time we should report it. This is calculated at Grand Lodge and lets us keep our nonprofit status with the government. Each event needs to submit one, not every person there, with numbers attending, hours spent, miles traveled and of course dollars donated. Planning meetings also count. If you have any questions about filling out the form or if something qualifies, please give me a call. Thank you to those who are great at getting the reports to me.

Our current numbers are as follows: Elks; 1295 Helpers: 338, Hours: 3052

Helper hours: 628, Miles: 16,246 Helper miles; 4834, Non Cash donations: $105,857

Cash donations: $11,874

Sew It Forward —Teen Morgan - November - 2026

Please make note our November meeting has been changed to Monday, November 16.
We will be very busy making 26 pillowcases for Clothe-a-Child, gift bags for the Steele Center kids, as well as cards for Veterans and Steele kids. We will also have walker candies for the Arizona Veterans Home. Our October workshop was attended by 18 ladies. The sewing machines were busy throughout the room while volunteers filled up treat bags and dignity bags for the veterans, and provided ironing duties. Beginning October 30 we will be fundraising to support all that we do. Look for items for sale and raffle items. It's never to early to start thinking about Christmas gifts. You can help us by donating cash, books, or small toys for the kids in the hospital during the holiday season.
Respectfully – Teen Morgan (520) 237-5873

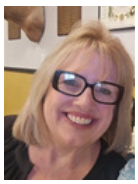
Clothe - A - Child

"Christmas Clothe a Child" – Saturday, December 5, 2026. Our annual Lodge signature event is coming soon, benefitting 26 underprivileged Roadrunner Elementary school children. We will be meeting at Walmart, Oro Valley Marketplace at 8:30am and school children will arrive at 9am. After the shopping spree, we head to the Lodge for lunch and a visit from Golder Ranch Firefighters delivering Santa Claus.Please join us if you have/never have participated in one of our shopping sprees. It's a great day that is both rewarding and a heartwarming experience. When the children see Santa and Mrs. Claus, their faces light up the house! Sign-up sheet for 26 Escorts, help to setup, and/or work in the kitchen, is located at our Lodge entrance. Finally, please consider a monetary donation to assist with the event if you haven't already donated. You can write a check to Catalina Elks #2815 and write "Christmas Clothe a Child" in the memo line. If questions, contact: Leslie Huerta, 520-484-0516, lalh85741@yahoo.com or Cindy Lefaive, 520-520-909-3731, cindydd45@msn.com P.S. A sincere "Thank you" to those that have donated already to this great cause in anyway. Your generosity is greatly appreciated and we wouldn't be able to have this lodge signature event twice a year without YOU!!

Veterans Committee - PER Bob Kielsa

I'm happy to report Non Cash Donations total $76,711, our Cash Donations hit $6,592 and our Welcome Home Kits have reached $23,401. This brings our total Veterans Donations to $106,704! We have a Free Veterans Day Breakfast set for Wednesday, November 11th from 7 to 9 AM. Bring a friend, member or none member, and have breakfast on the lodge's Veterans Committee. Thank you to all our members who participated in our Veteran Games! A big thank you to all our members who donated items for our Veterans Game Day Raffle! Your donations are a huge part of our total income in this event! I'm sad to report to our members that we will lose our terrific Veterans Committee member Greg Koper. Greg has been the lifeblood of our Welcome Home Kit program we run in conjunction with the VA and our Elks National Veterans Organization. Read more about Greg in our ER's Elk of the month recognition article. Its our loss, but Saint George, Utahs gain! As we hit Fall weather, our homeless veterans are in need of a number of things we can contribute that will help with their comfort and health. Canned food, like chili, soup, stew, tuna, chicken, spam, and fruit cups. Crackers, trail mix, beef jerky, individual bags of chips/crackers/snacks, protein bars, cookies and canned fruit are helpful. Toothpaste and brushes, lip balm, sunscreen and hats are needed as well. Backpacks, small amount gift cards ($10, $15) to grocery stores and fast food are also very helpful.As far as clothing goes, we need new T-shirts (Med, Lg, XL), jeans (W 33, 34, 36), long sleeve shirts and socks. Please place all NEW items, along with food, in the White barrel in the lounge. Having been the chairman of the Veterans Committee for close to 14 years. I have decided its time to pass the helm of this committee to Wayne Brittain. I'm excited for our lodge, because Wayne has both the passion and drive to continue our lodge's support for our veterans. We are wrapping up our 2026 lodge survey on November 15th. We will soon have paper surveys in the lodge for your use. If you've completed one already, but have a new idea, please fill out another one. Your ideas are very important to the Board of Directors and Ann, our House Committee Chairman.

House Committee - Ann Girvin



House Committee: A Season of Thanks As we enter November and the season of Thanksgiving, the House Committee has so much to be grateful for. Our lodge continues to thrive because of the time, effort, and support of our members and volunteers, and we want to take this opportunity to say thank you. October was a wonderful example of that spirit, with the lodge used every night for events! Seeing our lodge filled with activity, laughter, and fellowship is something we can all appreciate. Thank you to every committee and volunteer who helped make those evenings possible, and to every member who came out to participate. Our food program continues to do very well, and we are thankful for everyone who contributes to its success. To those who plan, prepare, cook, serve, and clean up—your work is appreciated. To our members who join us for meals and support the program, thank you for making time at the table part of our lodge's fellowship. We are especially looking forward to the Burn the Mortgage event on November 14. What a fitting time of year to celebrate this milestone and give thanks for the dedication and generosity that helped make it possible. We hope you will join us as we celebrate this accomplishment together. We also want to recognize all of our committees for the wonderful work they are doing with their events. Each gathering takes planning and helping hands, and we are grateful for the care you put into making our lodge a welcoming place. On behalf of the House Committee, thank you for all you do. Whether you volunteer your time, lend a hand behind the scenes, or come out to enjoy an event, you help make our lodge special.

Wishing you and your families a happy Thanksgiving filled with warmth, friendship, and gratitude!

Elk Of The Month—November

Elk of the Month: Greg Koper

Greg has gone above and beyond all expectations in delivering Welcome Home Kits to our newly housed veterans. He has been providing these kits since becoming an Elk eight years ago, and his dedication has made an incredible difference in the lives of the veterans we serve. For the past three years, Catalina Mountain Lodge has brought home the first-place award for delivering the most Welcome Home Kits in our district, including at the recent AEA Mid-Year Convention! So far this year, Greg has delivered 64 kits to the VA, with a total value of $37,466.53. Grand Lodge has reimbursed us $34,580.04, while our Veterans Committee has covered the remaining $2,886.49, bringing our cost to just $48 per kit. This year's efforts have already surpassed the total number of kits delivered last year! Greg is moving out of state this month, leaving some pretty giant shoes to fill. However, thanks to the guidance and knowledge he has shared with our Veterans Committee during his final weeks here in Arizona, we are confident the committee will continue the wonderful work he has worked so hard to establish. Thank you, Greg, for everything you have done for our Lodge and the veterans we are privileged to serve. Your dedication, generosity, and commitment embody the very best of Elkdom. You are a hero among us, and you will be truly missed!

Past Exalted Ruler Association - Paul Slater, PERA President and PACC Update

Howdy!What a great monsoon season we had and it was brought some fall like weather, which is nice!! The Queen continues to elude us on Friday's! Nice to see the jackpot grow that will make someone VERY happy when they find the Queen of Hearts! We have finalized the details for our Mortgage Burn Down Party. This is such an amazing accomplishment that would not have been possible without the support of every one of you, our amazing members! There is a flyer and sign up sheet in the lounge. Don't wait until the last moment there is limited seating and it is a first come first serve. With payment of course ($35.00/person). We are planning special recognition of our Charter members as well as hosting the current AZ Elks State President Frank Busso and his lovely lady, Angela during the event. The PER association financially supported a couple of worthy chartable works with Clothe a Child and Adapt a family. We continue to support our community in many ways, so don't be shy about telling your friends about the great work you do with the Elks. A friendly reminder that you must have a valid membership card (paid your dues) and PLEASE make sure that your name is legible, and there is a phone number on each ticket. I did notice that my first time selling, there were a few tickets with just a name. If a ticket without a number is picked, it will be discarded, and another "properly filled out" ticket will be selected.

A Decade of Caring, Paw by Paw

For the last decade, donations to Friends of Pima Animal Care Center have fueled innovative animal lifesaving programs, providing care and hope for countless animals and pet-loving families. This local nonprofit organization has helped more than 75,000 families with veterinary care, behavioral support, supplies, and pet-friendly guidance. A huge thank you to everyone that contributed to our PACC Donation Event. Kathleen, Pam, Debra, John, and Jimmy did an amazing job in coordinating our inaugural event. The generosity was overwhelming. The team raised $1260 in cash that bought Debra's handmade animal jewelry, the bake goods that everyone made (Marie, you outdid yourself again!), and of course the fun Wheel of Fortune. In addition to the cash there was at least $2-3000 of supplies donated. All of this will be brought directly to PACC to support that good work that they do here in Pima County

ENF Report - Ron Starjnski, PER

Hello everyone, So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them. With Community Investments Program grants, Elks Lodges uphold this solemn pledge by meeting the needs of local veterans. Since 2017, Asheville, N.C., Lodge No. 608 has partnered with the Veterans Restoration Quarters (VRQ), a housing facility for local veterans run by the Asheville Buncombe Community Christian Ministry. The Asheville Lodge has used nearly all its CIP grants to support the VRQ over those years by providing meals and essential supplies such as clothing and hygiene items. However, in 2024, disaster struck. Hurricane Helene ravaged the southeastern United States, causing more than $59 billion dollars of damage and destroying more than 70,000 homes in North Carolina alone, according to the North Carolina Housing Coalition. The storm completely flooded the VRQ, forcing all 250 veterans and staff members to be evacuated by the National Guard and moved to a motel across the street. This temporary solution became permanent when the Ministry purchased the building, with the hopes of turning it into a new veteran housing facility. The Asheville Lodge received a Spotlight Grant from the CIP to help make these plans a reality. Determined to outfit the former motel with a library and computer room, the Asheville Elks quickly got to work. They were very hands-on in the process—several Lodge members with experience as carpenters and building contractors volunteered their time to get the job done. For more information visit elks.org/cip, and apply for a Beacon, Gratitude or Spotlight Grant to make it a reality. Applications close January 20, 2027. Currently we are #8 in the state for donations with $4,980 and $8.19 Per-Member contributions. Thank you all and if you have any questions my email address is starjnski@gmail.com

I will see you at the lodge. Ron Starjnski PER, ENF chair

COMMUNITY ACTIVITIES

Thank you to everyone who helped with the Thanksgiving stuff bag project. This year with the help of a $4,000 dollar Beacon grant from the grand lodge, we purchased, stuffed and delivered 350 bags of dinner goodies to our local food bank-Impact of So. AZ. The bags included stuffing, vegetables, gravy, and cornbread. This project will help some of our less fortunate neighbors have a full Thanksgiving dinner. And, yes…. Christmas really is "just around the corner". I'm asking for monetary donations to help with the Adopt a Family project. Our lodge "adopts" 20 children from the local food bank-Impact of So. Az. We buy clothing, toys and art supplies for them We wrap the presents and deliver them back to Impact to be distributed to local families for Christmas. Please consider donating today. Thank you.
