AUDITION MATERIAL FOR FRANK/GERALD

By Mads Joseph and MacKenzie Olivia

EXT. GAS STATION - DAY

FRANK
Hey, Willow!

WILLOW
(Sigh)
What Frank? I thought leaving the house guaranteed I wouldn’t have to interact with you today and I was really looking forward to that.

FRANK
Had to fill up the beast.

Frank pats his motorcycle.

WILLOW
Cool. Nice talking to you, Frank.

FRANK
I know we are just shooting the shit…

WILLOW
I wouldn’t consider this an actual conversation, but sure.

FRANK
Anyway, I heard you and your mom this morning… give Misty a break. You know she works really hard, and she is just trying to protect your kid.

WILLOW
With all due respect, Frank. You do not know anything about our relationship. You guys have been dating for what? A month. I think I know my mom.

FRANK
Fair, but Misty did have a point. Those shorts were tempting.
