

## Branford Early Learning Center (BELC) COVID-19 Family Behavior Agreement

In order to remain proactive and safe, we have established new policies, and require certain procedures and behaviors from the families that will be incorporated into Branford Early Learning Center, Inc.'s protocols starting September 7, 2021. I will follow all state and East Shore Health Department rules (and all changes due to state or local authority). Please check each item below, sign, and return by \_\_\_\_\_.

I, \_\_\_\_\_, parent of \_\_\_\_\_  
wish to begin attending BELC effective September 7, 2021. Paper must be signed for your child to attend

The following list is true for my family:

- I have read the new Center policies and the CDC guidance definition (see for clear guidance)
- I will wear a mask, wait my turn to have my child properly screened, and practice proper social distancing while on school premises, or I may not be allowed in.
- I will not bring unnecessary items into the centers. This includes the storing of car seats and strollers
- I will bring my child by 9 am daily (this is to ensure we have staffing for daily health checks) children will not be allowed in after 9 am. I understand that a late fee of \$5.00 for every minute late, will be charged if late, and after 3 late notices, your child will be placed on a one-day leave.
- I will maintain a distance of 6 feet between families (only one family allowed in at a time)
- I will call ahead of picking up so my child will be ready, to reduce contact with other families and staff members children will be met at the door
- If I bring my child, it is because everyone in our home is healthy and symptom free, with no known exposure to COVID19. If I or anyone in my family is quarantined, my child is in quarantine also. I will notify the director immediately for exposure or testing.
- I will wait for my child to be screened for signs of illness daily (child will be sent home, not to return for 72 hours if he/she has fever for any reason)
- Fever reducers will not be given to my child on any day of attendance, regardless of reason for fever reducer
- If my child shows signs of illness during care, I, or an authorized representative, will retrieve my child within 30 minutes or sooner whenever possible
- I will thoroughly wash my and my child's hands before drop-off, prior to picking up, and as soon as we return home
- I will not bring extra people onto school premises when dropping off or picking up
- I will follow new stricter guidelines for cubby contents-two changes of clothing, one sheet, and I will not allow my child to bring items from home onto school premises.
- Infant bottles must be lidded and labeled, will still go home daily for sanitizing and refilling. No water bottles will be allowed from home
- I understand this situation is fluid and subject to state and local authority revision
- I understand failure to follow these new safety guidelines may result in termination
- I understand that having my child attend BELC is my choice and at any time I cannot and will not hold the Branford Early Learning Center, Inc., The Director, the Teacher's, or the Board of Directors liable for any sickness incurred.
