GIRL SOFTBALLERS OPEN INTERNATIONAL LEAGUE TUESDAY

FOUR TEAMS IN DOUBLEHEADER AT KENNEDY

Silverwoods, McCreerys Canadian Entries In New Loop

Another campaign of the Border Cities Amateur Softball Federation, and the most promising of the lot to date, gets under way Tuesday night of next week with the playing of two games at Kennedy Stadium. Both ends of the doubleheader will be fixtures of the newly formed International Girls' Softball League.

LOCAL PLAYERS WELL KNOWN

There are four teams in the new girls' league this year, two from Detroit and two from Windsor, operating under the joint jurisdiction of the Federation and the Detroit Softball Association. All four teams are known to Windsor fans. On the Canadian side are Silverwood's Dairy and W. H. McCreery Jewellers: on the American side are Harmony Sweet Shop and Rayl's Sporting Goods.

While the calibre of softball in the United States has improved by leaps and bounds these past two or three years, and both Harmony Sweet Shop and Rayls are reported to have powerfully organizations, the Windsor teams should be quite able to take care of themselves.

Harry (Hutch) Hutchinson heads the Silverwood aggregation, and Al Brightmore and Don McDonald are in charge of McCreery's. All three men have had plenty of experience as they were all prime movers in the introduction of the girls' game here.

ACE PITCHER FROM LONDON

Hutchinson, who not only has had a perennial contender for local honors, but also a strong bidder for Ontario laurels since he first tried his hand at managing girl softballers, has most of his 1935 team back in uniform and the Silverwoods of last year got close to the provincial intermediate championship after proving supreme in this vicinity.

Willa Hyttenrauch, one of the best regardless of whether she is in the outfield, at second base, behind the bat, or at the plate, is with Silverwoods again and will confine her fielding activities to the catcher's role. Ada Allen, peppery first-baseman, is back, too, and so is Kay Simpson, steadily improving second-sacker, and Stella Krol. Isabel Buchanan and the youthful Reeves are available for third-base duties, while Manager Hutchinson's wife, Jean, Mary Goswick and Rena Dominato are three capable outfielders and timely hitters.

Gret Kain, ace flinger hereabouts last year, has transferred her allegiance to McCreerys, and while he admits her services are undoubtedly valuable, Manager Hutchinson thinks he has secured a better pitcher in Winnie Furlonger, who will be making her debut in league competition here but who is known for her outstanding mound work on behalf of London Silverwoods when that team played exhibitions in Windsor.

While each team is allowed 15 players only 12 had been signed by Hutchinson today. In addition to those mentioned, he has Tenie Sapergo and Nellie Dubensky, neither of whom need any introduction. Both can perform creditably as pitchers, infielders or outfielders, and besides that they are good hitters. They should be very valuable as utility players.

GRET KAIN CHANGES CLUBS

Like Hutchinson, Brightmore and McDonald of Silverwoods have signed just 12 players to date, and most of these, too, are veterans.

Besides Kain, McCreerys will have Mabel Ramsay at pitcher. New to Federation competition last year Ramsay did surprisingly well. With a year's experience behind her, she is expected to "go places" this season. Daisy Kain, Gret's young sister, who was with Paris Shines last year,, rounds out the staff.

Ida McDonald, wife of co-manager McDonald, will be out there on first base again and worrying the pitchers with her big bat. Lurline Palmer is slated for the mid-station, Roselia Raisbeck, wife of the widely known Jimmy Raisbeck of men's softball circles, is the outstanding shortstop in the city, and Third-baseman Vera Charley's worth is borne out by the length of time she has played without once losing her position as a regular.

Valerie McWilliams, a heavy hitter, Eva Kuk, a good hitter and fleet fielder, and Jean Brown, another all-rounder who can also turn in a neat job of pitching, will be the regular outfielders, with a 1935 rookie, Richardson, ready to take over if anyone shows the least sign of faltering.

McCreerys and Harmony Sweet Shop open Tuesday's initial program at 7:15. Silverwoods and Rayls will swing into action no later than 8:30.

Happy Over First Softball Championship

CAMERON AVENUE SCHOOL is the second smallest public school in Windsor but its senior girls have proved that quality, rather than quantity, is what counts. The girls, pictured above, have just won the city public schools senior girls' softball championship for the first time. They won nine of ten games played, defeating Gordon McGregor 16-13 in the final after scoring a 5-4 victory over General Brock in the semi-final. Florence Munroe is seated in front. Left to right, front row, are: Kathline Paris, Doris Johnson, Annetta Wear, Pat Boland, Christine Munroe, Bernice Brown and Principal Lorne Rogers; back row: Betty Shelson; coach, Helen Bertrand; Beth Alexander, Isabel Curlew, Evelyn Paris and Irene Logan.

Game Halted By Darkness

Rathwells and Windsor Juniors battled seven innings to an 11-11 tie in a scheduled Independent Softball League fixture at Asphalt Park last night. The contest was called by Umpire Dalmage on account of darkness.

Rathwells piled up a nine run lead in the first four innings and appeared well on the road to victory until Nolan weakened. The Windsor nine combed his offerings for six runs in the fifth and then succeeded in knotting the count after Rathwells had added another marker to their total in the sixth.

Wheelmen Take Lead

KELSEY OUTFIT SPILLS BENDIX, 15 TO 13

Kelsey Wheel surprised Bendix at Kennedy Collegiate last night and scored a 15-13 victory that put the former in first place in the Factory Softball Association, and the latter, pace-setter since the start of the season, in second.

At the end of the second inning the game looked like another romp for Bendix, for the score was 9-2. Kelsey Wheel scored seven times in the sixth, however, on a homer by Laforet, doubles by Holmes, Ludy and Brunner, singles by Hatten and Wright, and an error by Evon. That made the score 11-10, and while Bendix went in front again with two markers in the eighth the lead did not last long. Kelsey Wheel counted four more times in its half of the same session on a walk to Wright, singles by Skaleski and McTavish, Holmes' triple and another single by Ludy.

Rally Brings 10-9 Victory

A ninth inning rally that netted three runs enabled Kleenzall to nose out a 10-9 victory over Lido Venice in a Border Independent Softball League game played last night.

The ultimate winners took a four run lead in the first frame but by the sixth frame Lido Venice had succeeded in knotting the count at six all. The Lido nine then went to the front with a two run splurge in the seventh and maintained its edge until the final frame.

Landry and Hendry shared swatting honors for the winners with three hits each while Drago and Bondy paced the losers. Drago had a double and two singles while Bondy had a triple and a double.

First Defeat

Bendix handed Caswell Tailors their first defeat since entering the Factory Softball League last night at Patterson Collegiate, 9-3.

Paced by Jack Trotter who poled out a homer and a single, the Bendix nine scored at least one run in every inning. The Caswell club nicked Bednick for one run in the second inning and scored its other two markers in the fifth. Trotter besides topping the hitters also provided the fielding feature of the game, a leaping one-hand catch of Nixon's hard hit liner to deep short.

Repulse Detroit Rivals In Doubleheader Program

Canada's two entries in the International Girls' Softball League went back into a two-way tie for first place last night be repulsing their Detroit rivals in the Kennedy Stadium doubleheader. Silverwoods trimmed Harmony Sweet Shop 18-3 in the opener and McCreerys rallied to beat Rayls 13-11 in the second half of the bargain bill.

HAVE EASY TIME

Silverwoods had an easy time. While Winnie Furlonger was holding the Sweets Shop girls to seven hits and striking out 12 of them, the Dairymaids, led by Tenie Sapergo, Jean Hutchinson, Kay Simpson and Willa Hyttenrauch, treated Pitchers Beleau and Showman unmercifully.

The Windsorites scored enough runs in the first inning to win. Five of them crossed the plate on four singles, two doubles, an error and three passed balls.

None of Harmony Sweet Shop's runs were earned.

Hogan Hero

Behind a high class pitching performance by young Jimmy Hogan the fast-traveling Windsor Juniors scored a 5-4 victory over Rathwell Cycles in a well-played Border Independent Softball League game at the Huron diamond last night. Hogan allowed only three hits, all in the seventh inning. One was a home run by Lefty Nolan, Rathwell pitcher, with one man on base and the other singles. Juniors got only six hits themselves, Pip Weaver leading with a double and single.

END STREAK OF JUNIORS

ART MEHARRY HERO OF KLEENZALL VICTORY

Kleenzall, with Art Meharry in the hero role, stopped Windsor Juniors' winning streak in Border Independent League softball last night with a 12-4 win at Shore Acres. Meharry not only pitched brilliantly in eight of the nine frames but drove in what proved to be the winning run by hitting for the circuit with Bondy and Price on base in the third.

Three singles and Ossie Soucie's homer deprived Meharry of a shutout in the fifth.

Bendix Upset

Auto Specialties gave the high-flying Bendix outfit a nasty jolt last night in their Factory Softball Association game at Jackson Park by winning 7-5. George Martin, Bendix starting hurler, weakened in the fifth after pitching excellent ball up to that point. Parker went all the way in fine style for the winners.

Ray Urbanski's home run in the sixth inning, scoring Chuck King, who had doubled, settled the issue.

The team managed to get in seven of the scheduled nine innings before darkness set in and during that time only 26 men faced Roussel. He issued four bases on balls and two Packard players reached base through errors only one getting as far as second after the second inning. Roussel got himself into a hole in the second session when he issued three bases on balls, the last two after two men had been retired. However, he settled down and struck out the next batter. Altogether 10 Packard players went down on strikes.

9-6 VICTORY FOR ZAKOORS

Pilot Banished, Leonard Softballers Forced To Default

Three three-run rallies gave Zakoors a 9-6 victory over Shortening in the second game of last night's Border Cities Softball Federation at Kennedy Stadium. In the opener Leonards outscored Hiram Walkers 8-7 but lost the game by forfeit.

DISPUTES STRIKE

Leonards lost their game when Playing-manager Alex Norry was banished for objecting to a strike called by Umpire Art Ray in the third inning. The argument was not particularly hot but Norry got marching orders nevertheless. The catch was that Leonards just had nine players available including Norry. With only eight of them left, the Tinsmiths had to forfeit.

Zakoors were outhit 11-8 in the nightcap but made good use of four Shortening errors.

Two of the errors came in the third inning along with a single, double, wild pitch and base on balls to produce the first three-run rally.

In the sixth Herb Smith and Jack Douglas walked, then Red Kennedy chased them home with a triple. Robbie Robson's outfield fly scored Kennedy.

In the seventh Gerry Curley, Shortening pitcher, lost the plate. He walked Horace Atkin, making his debut in the federation, and Pitcher Ted Jacomb, the Smith's single scored Atkin. Bill Payne drew a base on balls and when Douglas did likewise it forced in Jacomb. Smith brought in Zakoor's ninth and last run after Kennedy lined to Tom Cavanaugh in centre-field.

Chemsals Win

Sparkplugged by Cudmore and Tranter Chemsals softball team defeated the Lido Venice nine, 12-8 last night.

Cudmore poled out a homer, triple and double while Tranter fattened his batting average with a homer and two doubles. Between them they accounted for the majority of the winners' runs

13-4 WIN BY CYCLE NINE

NOLAN TOO GOOD FOR HAYNES DRUGS

Their own poor fielding and their inability to hit Lefty Nolan's "buzz" ball sent Haynes Drugs down to a 13-4 defeat before Rathwell Cycles in last night's Border Independent Softball League game at Huron Diamond. Nolan was extremely wild, walking 10 men, but he allowed only three singles and a double. Jack Lumb, who started for Haynes, pitched much better ball than the score indicated, errors alone leading to his retirement.

Haynes Drugs Defeats Lido

Haynes Drugs scored their second victory of the Border Independent Softball League season Tuesday evening when they beat Lido Venice 10-7 in a close game at Shore Acres. Errors led to the Venetians' downfall.

Paul Laforet made his debut with the Druggists and hurled steady, effective ball despite his wildness. He walked nine men but allowed only eight hits and fanned eight opponents. Rhibany, of Lido Venice, walked six and struck out seven.

Laforet and Babe Nantais, each with a double and single, led Haynes Drugs at the plate, while Egan poled out a triple and single and Matthews a double and single to top the losers.

PATERSON'S HOME RUN DECIDING BLOW

Tom Paterson's eighth inning home-run following a base on balls to relief pitcher Bill Cullen provided the margin by which Chemsals defeated Windsor Juniors in a free-hitting, loosely played Border Independent League softball game at Asphalt Park last night. The circuit blow made the score 19-13 but the Juniors rallied to score three times in their half of the eighth and once in the ninth, the final count reading 19-17.

Chemsals scored 10 runs, all charged to Cliff Head, in the second inning, on four singles, a homer, three walks and three errors.

Tabernacle's hapless Tuxis Softball League entry last night dropped its tenth game in as many starts, losing a hard luck, 4-2 verdict to Giles Christian at Marlborough School Though beaten, Tabernacle was far from disgraced.

Ostranger got the better of McFarlane in a mound duel that saw each hurler allow only six hits. McFarlane, J. Cutting and Fidler each made two for Giles Christian and Ostrander and Youell made two apiece for Tabernacle. Ostrander's three-bagger was the only extra-base blow of the game.

LIDO VENICE SOFTBALL OUTFIT BEATEN 18-9

Ford Automatics, Border Independent Softball League leaders, easily defeated the last-place Lido Venice at Shore Acres last night, 18-9. Chow Thorne, on the mound for Fords, gave up only three hits, the first one coming in the eighth inning. His control was erratic but he was there in the pinches, striking out 14 men.

Scoring eight runs in a big second inning, Ford Automatics wiped out Windsor Juniors' early lead and went on to score an easy 21-8 victory in a Border Independent Softball League fixture at Asphalt Park Tuesday. The win sent Automatics into a first-place tie with Chemsals.

Fords made 18 hits off Jimmy Hogan, who pitched into the seventh inning, and eight off Cliff Head, who worked the last three. The Juniors got only six safeties off Chow Thorne, but he was wild, walking nine men. Altogether there were only four strike-outs, Thorne and Hogan each getting two rivals that way.

Russ Evon, with a home run and four singles in six times at bat for Automatics, led all the hitters, Teammate Bob Neskas being next in line with five singles in seven tries. Izzy Robinet and Nerts Parent, in addition to Evon, homered. Pip Weaver, with a single and double, was the only loser to connect twice.

DETROIT BALL CHAMPS HERE

All-Stars Again Take On Olbru Aggregation At Kennedy

Oldbrus, Detroit's great softball champions, come back to Windsor tonight bent upon easing still more the sting of their only defeat this season. That defeat was inflicted by Alex Norry's Windsor All-Stars last week, in the first game of a double-header at Kennedy Stadium. Tonight, on the same battleground, the stellar aggregations will meet in another twin bill, starting at 7:15.

37 WINS, ONE LOSS

The Detroit team and its followers got a nasty shock and Windsor and district fans, to the number of 600, saw two "crackerjack" games when the sides met for the first time last Wednesday.

Oldbrus had played 33 games and won them all before swinging into action against the Windsorites. After dropping the opener they came back to win the nightcap and have chalked up three more victories across the river since then. In league competition in the Motor City they played 21 league games and won them all, winding up their regular schedule Tuesday night with a 9-1 victory over White Tower.

The games here last week were thrillers, particularly the first one. At the end of the regulation seven innings permitted by American rules, under which the teams were playing, the score stood at 0-0. The eighth too was scoreless then Windsor won by scoring twice in the last half of the eighth after Detroit had counted once in its half. The second game, while not as closely contested, was a classic, for in it Ed Figelski, Detroit hurler, turned in a no-hit, no-run performance, only 22 batters facing him. Oldbrus won 4-1.

Jim Taylor, who drew a base on balls to keep Figelski from a perfect performance, is included on the Windsor roster for tonight along with all the other players who took part last week. Additions are Harry Heydon, outfielder, and Allie MacMillen, who will be available for pitching duty along with Fred Bolter, Hank Parey and Bill Hudson. It was Bolter who beat Oldbrus. Parey pitched last Wednesday's nightcap.

WONDER MOUNDSMEN

The Detroit team's three-man pitching staff—Figelski, Steve Krzywda and Ted Rebain—have an almost unbelievable record, though Rebain seldom goes to the mound these days. Manager of the team since its organization, he has been content to let his younger mates do most of the twirling. Just how well they are doing it is borne out in the record books.

Figelski has lost but one game in his last 32 starts and Krzywda one in 29 times out. That one defeat was the game Norry's All-Stars won here last week and it snapped a streak of 28 for the Detroit flinger. Ever, then he allowed only three hits while his mates werer getting seven.

Krzywda is Oldbrus' heavy winner this year, with 17 victories to his credit against Figelski's 13, with Rebain having the remainder.

Last year Figelski was the big gun ringing the bell 28 times and the year before Rebain was tops with 34 triumphs as his team won 78 games while losing only eight.

While Krzywda leads in victories Figelski's 1936 record is almost too good to be true. In the 13 games he has pitched he has allowed only six runs and not one of them was earned. Four of them came in one game. He has allowed an average of just two hits per game and has fanned 143 men, an average of 11 per game.

Strange to say, there is no jealousy among the three Oldbur mound aces. They are great pals, have taken their regular turn until this season and no one of them lays claim to being the "ace." Whenever the team has an unusually important game all three warm up and the one who looks best to their catcher and captain, Mike Smith, gets the call

Big Seventh

Chrysler Office broke a 7-7 tie by scoring six times in the first half of the seventh and last inning of their Bank League softball game with Canadian Pacific Telegraphs at Kennedy Collegiate last night but the Communicators went them one better. They tallied seven times to win out 14-13.

Jimmy Morrow lined a home run with two aboard to send in the tieing and winning markers after Alex Fiddes had walloped a homer with the bases loaded.

Backstay Standard could not make it two in a row last night after chalking up its first Factory Softball Association victory Tuesday, but it at least had the satisfaction of giving General Motors a battle at Ontario Street School before losing 9-7 Thursday.

The home-run hitting of La Bute, General Motors third-sacker proved to be the deciding factor. He hit for the circuit twice.

Fred Bolter went all the way as the Leonard hurler but Walkers used two men on the mound. Bill Hudson worked the first three innings and allowed five hits.

Chemsals slipped from the top rung of the Border Independent Softball League ladder last night when they suffered a somewhat surprising setback at the hands of the steadily improving Kleenzall club. The game, played at Shore Acres, ended in a 14-10 score and probably the outstanding feature was the fact that the Cleaners reached Bill Cullen, one of the league's best pitchers, for 19 safeties.

Price, Kleenzall hurler, was wild but settled down to pitch excellent ball in the last five frames.

Babe Evon, of Kleenzall, besides being the game's hitting star, robbed Tom Paterson of a home-run with a fine running catch. It was probably the best game of softball young Evon ever turned in.

Easy Victory For Juniors

Making merry at the expense of three Haynes Drugs pitchers while Roy Marchand was turning in a fine six-hit performance and striking out 16 men, Windsor Juniors chalked up a one-sided 16-5 victory in a Border Independent League softball game at Kennedy Stadium last night.

The majority of the Druggists were making their first appearance under the floodlights and resultant nervousness made them look bad afield, two unearned runs crossing in the first frame, two more in the fourth and another pair in the fifth. Jack Lumb pitched the first three innings and Eugene Roussel the fourth.

Turch Evon, with two doubles and a single, and Cec Garrod, with one double and two singles, led the winning batters. Scotty Warnock had a triple and single and Lumb a double and single for the Drugs outfit.

Bill Cullen Stops Rally

Scoring eight runs in the last three innings, Chemsals defeated Lido Venice 13-7 at Shore Acres last night in a Border Independent Softball League game. Seven Lido Venice errors, coupled with five bases on balls, helped bring about the Venetians downfall.

Don Dywelska went six and two-thirds innings as the Chemsal hurler before giving way to Bill Cullen, who wound up in fine style by allowing only one hit and chalked up the maximum number of strikeouts possible, seven.

Stan Tranter had three singles and Tom Paterson a home run and double. Chemsals' only extra base blows, in leading the winners. George Bondy and Trumble each had a single and triple for Lido Venice. Bondy's three-bagger coming with the bases loaded.

Bill Cullen went all the way for Chemsals against Buzz Nolan, who lasted three and two-third innings, Art Carley, who was driven to cover in the sixth, and Verne Peters.

Tom Paterson, Ralph Cudmore and Ray Tourangeau homered for Chemsals and Nolan and Bill North for Rathwells. Toureangeau also had a double and two singles to lead all the hitters.

Go Into Lead In Big Eighth

Trailing 8-7 as they went into the last half of the eighth inning, Ravis suddenly "went to town" to score seven times on five hits, three bases on balls, two wild pitches and an error and win their International Girls' League softball game with Silverwoods at Kennedy Stadium last night by a score of 14 to 8.

Clean Sweep In Playoffs

Silverwoods qualified to meet the Chatham and District representatives in the first inter-city round of the Ontario Women's Softball Union playoffs of 1936 by defeating McCreerys at Kennedy Stadium last night for the third straight time in their series for the championship of this group. The Dairymaids made it a clean sweep by coming from behind in great style last night to win 17-14.

Without being outstanding, Mabel Ramsay, McCreery pitcher, seemed to have the situation in hand when the ninth and last inning began but a six-run rally changed the complexion of things entirely In the meantime Tenie Sapergo settled down to pitch fine ball. Winnie Furlonger started and went well, but left the box in the fifth frame with two out.

Silverwoods collected 21 hits, four each by Willa Hyttenrauch and Jennie Golab. Mary Goswick belted a home run and triple. Val McWilliams homered for McCreerys and Lurline Palmer and Ida McDonald got three hits apiece.

One of Them to Oppose Locals Here Tonigh

THESE three softball pitchers, members of the powerful Detroit Oldbrus, will appear at Kennedy Collegiate Stadium tonight in an exhibition doubleheader against Alex Norry's Windsor All-Stars. The same teams divided a double bill last week. Left to right here, are: Steve Krzywda, Ted Rebain and Ed Pigielski. The first game starts at 7:15.

Windsor Nine In Double Win

Hiram Walkers of the Border Cities Softball Federation captured a pair of exhibition games from the strong Kellman's nine of Detroit at Kennedy Stadium last night. The local nine won the opener, 6-3 behind the one-hit pitching of McMillan and duplicated the feat in the nightcap by a score of 3-0 when Bill Hudson held the invaders to a single base knock

Good Pitching

Coasting along behind the nine hit pitching of Nolan, the Rathwell softball team defeated Kleenzall, 10-4, at the Huron street diamond last night.

Price started on the mound for the losers but was lifted in favor of A. Meharry after allowing eight runs in one and one-third innings Meharry pitched fine ball from that point on but the damage had already been done. Nolan topped the Rathwell hitters with three out of four while A. Meharry was best for the losers with two out of four.

SOFTBALLERS AGAIN SPLIT

—

All-Stars Win First 4-1 But Oldbrus Take Second 3-2

Alex Norry's Windsor All-Stars are still holding their own with Detroit's champion softballers, Oldbrus, after four games played under American rules. Last night 596 cash customers at Kennedy Stadium saw the starry aggregations stage their second classic doubleheader in eight days and again Windsor won the first game and Detroit the second. The All-Stars' margin was 4-1, after extra innings; Oldbrus' was 3-2.

TRIO OF HEROES

The first game had a "hard luck" player and three heroes The 'hard uck' player was Pitcher Krzywda. who went down to defeat in a game that saw him give up only two hits Errors caused his downfall. The heroes were all Windsorites. Fred Bolter was one as he again showed his class to beat the Detroit outfit for the second 'ime in two starts against it. Another was Nerts Parent who made the first Windsor hit. scored the first run and robbed Butcko of a home run with a great running catch in the ninth in-.ing. Last of the heroes, but far from least, was Elmer Bauer, who slashed a :ine drive between the left and centre fielders for a home run with two aboard 'o win the game

Easy Victory

Kleenzall of the Border Independent League smothered Havnes Drugs 16-5 at Huron diamond last night as the losers turned in a listless display. Gladys hit three infield singles and a double and Bondy a home run and double to lead Kleenzall's 17-hit attack. Bullard, with three singles, and Burns, with two were the only losers to connect twice. Each pitcher struck out seven men.

FIGELSKI, BARTUS SHINE

Pitchers Figelski and Hank Pacey shared honors with Parent and Outfielder Bartus of Detroit in the nightcap. Bartus stole home with the first run and his single scored the other two. Parent made a marvelous catch of Bourcier's fly to short centre in the third inning by sliding on his stomach after a long run. Figelski and Pacey both pitched high class ball, though the Detroiter definitely had the edge since both runs scored off him were unearned.

Stack Shines

Poling out 16 hits, three of them by Steve Stack in three attempts, Caswell Tailors defeated Backstay Standard 12-3 in a Factory Softball Association game at Ontario street school last night. Eugene Roussel met the fate that usually dogs a pitcher in his first start after a no-hit performance, whereas Slim Patrick was "hot" striking out nine men. Nick Pidruezny homered for Caswells.

Detroiters to Oppose Local All-Stars At Kennedy

Alex Norrys Windsor All Stars have picked a tough spot for the start of a series of exhibition softball games here this summer. They have booked a doubleheader tonight at Kennedy Collegiate Stadium against Detroit Oldbrus. The Detroiters have won 33 games this season and are undefeated. Included among their victims are Dixie Oils, U.S. champions of last year.

Norrys' team will be selected from the following: Tapak, Norry, Belter, Pacey, Farmer, Bruggeman, Chapman, Bauer, McMillan, Tayler, Parent, Hawkins, Zerbin and Lowry.

Patrick Gives Fine Display

Coasting along behind the four-hit hurling of Patrick, Caswell Tailors swamped L. A. Young, 19-2 in a Factory Softball League game last night. Patrick was in great form, retiring 11 of the opposition via the strike-out route.

With Patrick pitching good ball, the Caswell slugging cast had a base-hit picnic at the expense of the rival hurler, Trevesol. The ultimate winners reaped a harvest of 20 solid base hits. Nixon and Onslow shared hitting honors for Carswells. The former had a homer, triple and three singles while Onslow blasted out a triple, double and two singles.

Wallace aided his own cause with a home run, and Merrifield, Smith and O'Neil also starred for the winners. Pitcher King was best of the losers at the plate.

Three Hurlers Are Hit Hard

Three Packard hurlers were unable to stem the tide of base hits unleashed by Bendix sluggers at the Huron diamond last night and as result the former team went down to a 19-4 defeat in a Factory Softball League game. A total of 21 base knocks harvested by the Bendix hitters and 10 of them were of the extra base variety. Pete Tapak topped the winners with the willow with four doubles in five trips to the plate. Fields was the best for the losers with two homers and a single to his credit.

Backstay Is Beaten, 24 to 4

Backstay Standard was pushed deeper into the basement of the Factory Softball Association by Auto Specialties last night when the latter scored a one-sided 24-4 win at Patterson Collegiate.

Auto Specialties belted 24 hits off Rowles' pitching and profited by Backstay's usual weak fielding, but for five innings it was a fairly good battle.

Semenuik, Specialties catcher, poled out a double and four singles in six times at bat, and Harold Wilson hit two home runs and a single. John Sodai and Nets Skaleski also homered.

The losers got only five hits off Bill Parker and Berneche got two of them, one a double. Campeau's three-bagger was the only other extra-base knock for Backstay.

Chirskoski, Specialties left-fielder, was the star defensively.

BACKSTAY IN GOOD GAME

DEFEATS PACKARD 8-5 IN FACTORY TILT

Backstay Standard played its most noteworthy game in the Factory Softball Association last night when it defeated Packard at Patterson Collegiate. The score, instead of being up in the high 'teens or 20's, was 8 to 5 as Roussel of Backstay and S. Fields and Rudbal of Packard turned in good pitching efforts.

Backstay won with a five-run rally in the sixth inning. Two errors, a base on balls, a single, a double and Vic Larke's homer with one aboard accounted for the five tallies.

McCREERYS VICTORIOUS

The nightcap, but for one big inning, was even better than the curtain-raiser, though not as important. The big inning was the fourth, in which the third-place McCreery girls put together seven runs, enough to win.

Bunt singles by Hales and Palmer, first batters up, started the uprising. Zuk grounded out, but McDonald doubled and Brown was safe on Kopja's error. McWilliams then singled and Raisbeck laid down the third good bunt of the inning. Pitcher Greta Kain was safe on a three-base error by Hill, then Charley got the fourth bunt single of the frame. Hales and Palmer, up for the second time, followed with ordinary one-baggers before Zuk ended the long session by striking out

In the face of Kain's brilliant pitching the six-run handicap imposed on the Detroit girls at the end of three and a half innings was too much.

RAYLS OVERHAUL SILVERWOOD GIRLS IN SOFTBALL RACE

DAIRYMAIDS BEATEN BY THEM 10 TO 9

McCreery's Strengthen Third Place Grip By 11-6 Win

Windsor Silverwoods were forced to surrender a half-share of the International Girls' Softball League leadership to Detroit Rayls last night when the Rayl team defeated them in the ninth inning, 10-9. In the second half of the doubleheader at Kennedy Stadium McCreerys earned an even break for Windsor on the night's play by setting back Detroit's Harmony Sweet Shop outfit, 11-6.

BASE-RUNNING WINS GAME

On the whole the twin bill was one of the best offered by the girls here this season.

Winnie Furlonger had pitched three scoreless innings when Rayls went to bat in the ninth. Ace hurler of the league, she was apparently in her best stride, so the outlook was black for Rayls. Ann Scotty gave the Detroiters some hope when she opened with a single but gloom returned when she was forced at second by Rose Babbish. That force-out was a "break" in disguise. Babbish took second on a wild pitch, then stole third and home to tie up the game. There was no stopping the Detroiters then. Eleanor Sternhagen walked and then she stole second and third. She raced home as Verne Chabot grounded out and that was the end of a ball game that really proved the value of intelligent base-running.

Lesinski and Sowa pitched fine ball for the winners. They allowed 11 hits but only two of the Dairymaids could connect safely more than once apiece. Ada Allen and Jean Hutchinson, inseparable on and off the diamond, made five of the 11 Silverwood safeties.

JUNIORS IN FIRST WIN

BEAT VENETIANS 15-10 TO LEAVE CELLAR

Windsor Juniors climbed out of the cellar of the Border Independent Softball League last night by defeating Lido Venice 15-10 in a free-scoring game at Asphalt Park.

The Juniors led all the way, getting to McCann for seven runs in the first inning on four doubles, three singles, a base on balls and a stolen base. Despite his bad start McCann was left in and finally gave way to Renaud in the fourth after filling the bases with none out. Renaud pitched good ball but arrived on the scene too late.

Jimmy Hogan, who started for the Juniors, lasted until the eighth. Then he got into trouble and had to change places with Centrefielder Marchand after four Venetians had crossed the plate. Marchand stopped the rally very effectively.

One-Hitter

A single to left field by Kapp, in the second inning, deprived Win Furlonger of a no-hit game last night as she pitched Silverwoods to a 9-0 shutout over Harmonys in the first game of an International Girls' Softball League doubleheader at Kennedy Stadium. Willa Hyttenrauch and Jennie Golab each connected safely twice in four times at the plate to lead the Windsor team's nine-hit attack at the expense of the former Windsor battery of Jackie Showman and Edith Spindleman.

The Windsorites did not get a hit until the fifth inning as Pitcher Miller did a great job for the Detroit outfit. Babbish, Madar and Sternhagen each bagged three hits in four tries to feature Rayls' 15-hit attack, the last-named getting a home run and double.

Repulse Detroit Rivals In Doubleheader Program

Canada's two entries in the International Girls' Softball League went back into a two-way tie for first place last night be repulsing their Detroit rivals in the Kennedy Stadium doubleheader. Silverwoods trimmed Harmony Sweet Shop 18-3 in the opener and McCreerys rallied to beat Rayls 13-11 in the second half of the bargain bill.

HAVE EASY TIME

Silverwoods had an easy time. While Winnie Furlonger was holding the Sweets Shop girls to seven hits and striking out 12 of them, the Dairymaids, led by Tenie Sapergo, Jean Hutchinson, Kay Simpson and Willa Hyttenrauch, treated Pitchers Beleau and Showman unmercifully.

The Windsorites scored enough runs in the first inning to win. Five of them crossed the plate on four singles, two doubles, an error and three passed balls.

None of Harmony Sweet Shop's runs were earned.

Six Home Runs

Ted Jacomb's good pitching, errorless fielding and a 14-hit attack that included five home runs gave Inspection a 12-4 victory over Stock in their Ford Factory Softball League playoff tilt at Vocational School Tuesday evening. Herb Smith twice hit for the circuit in the Inspection cause, and Neil McMillan, Jim Taylor and Harvey Gregory did the trick once. Norm Clark, Stock's starting pitcher, poled out a four-bagger before giving way to Ivor Cross. Altogether, the losers made 10 hits off Jacomb, but he scattered them and helped his own cause no little by striking out 10 men.

CHATHAM GIRLS ARE DEFEATED, 13-7

CHATHAM, July 23--Taking a six run lead in the first three innings, Windsor Silverwoods carried through to a 13-7 win from Chatham Silverwoods in an exhibition girls' softball game played before nearly 3,000 people under floodlights in Tecumseh Park last night.

Lots of Runs

Bill Duggan's good pitching paved the way for a 17-10 victory for Star over Water Division in their Civic League softball game at Mitchell Park Saturday evening. Errors boosted the total of both teams. Hull, with three singles in three tries, and Burns, with a home run, double and two singles in five, led the winners at bat and Munro homered. Lavers, Gray and Robinet each had three singles for the losers.

With Jack Thompson at bat, a low pitch by Clarence (Red) Lee let Reggie Treverton scamper home with the run that gave Silverwoods a 7-6 victory over Chrysler Office with two men out in the seventh and last inning of their Bank League softball game at Chrysler diamond last night. Lee struck out two men and walked eight, while Jack Lumb fanned six and walked six. Ellie Thompson, with a triple and a single, and Pete Bullard, with a double and a single, led the winners at bat. Al Lodge, Faulkner and Andrews had two singles apiece for the losers.

The Specialties put together 11 hits, two errors and a fielder's choice in the third inning for no less than 12 runs as 16 men batted. The final score was 12-5. Wilson hit two home runs in the big inning for Auto Specialties, while Urbanski and Langlois each hit safely twice in three tries during the game. Curley Gives Fine Display

Basil Curley's high-class pitching and timely hitting by his mates carried Haynes Drugs to an 11-6 victory over Lido Venice at Shore Acres yesterday as the semi-final series for the Dave akoor softball trophy got under way. With perfect support Curley would have had a shut-out, even though Seguin tagged him for a long home run in the eighth. Jack Thompson and Pete Bullard each collected a double and two singles in five trips to pace the Haynes batters. "Ribs" Rhibany pitched fine relief ball for Lido Venice after Ted Mooney had been driven to cover in the third inning.

Near-Riot As Teams Stall

A near-riot that saw rival players exchange hot words and Umpire Harry Shanahan attacked by one of the angry debaters before police finally restored order, followed last night's Border Independent Softball League playoff game at Shore Acres, in which Chemsals and Kleenzall were opening a best-of-three semi-final series.

The trouble started when Umpire Shanahan called the game and declared it "no contest." To Shanahan it appeared to be the only thing to do. Chemsals scored 10 runs off Art Meharry in the first inning, and when Kleenzall found Don Dywelska's pitching too much for them they began to stall so that darkness would prevent playing of the required nine innings. Chemsals finally became tired of the Kleenzall tactics and deliberately tried to be retired. Shanahan stood it as long as he could, but his patience finally gave out and he put a stop to the fiasco in the last half of the seventh inning.

Chemsals led 14-2 after six and a half frames had been filled.

Rude Jolt For Evon and Co.

Rathwell Cycles gave the form players an awful shock at the Huron diamond last night by handing an 8-7 victory over Ford Automatics and Russ Evon, a combination that had beaten them at every time out during the regular campaign. It was a startling defeat for Pat Patterson's strong team and perhaps a disastrous one, for the team is engaged in playoff competition now. Automatics are faced with the problem of taking two straight games if they are to win the semi-final series.

Surprising hitting and "heads up" ball behind good pitching by Boots Gibbs gave Rathwells their win, with Stewart Skelly starring on attack and defense and Jack Ward also hitting well. Evon did his best to save the day by hitting a homer with two aboard and a double in three tries, while Bobby Neskas also homered for the Ford outfit.

PITCHES LEONARDS TO 5-4 VICTORY

Willie Moose Rogin, back home after a summer in Michigan, pitched Leonards to a 5-4 victory over Hiram Walkers last evening in a well-played softball game offered by Windsor Firefighters at their annual Field Day at Jackson Park. Rogin showed plenty of stuff, for he fanned nine men despite the fact the game went only six innings. At that Allie MacMillan gave him quite a battle allowing only five hits while "The Moose" was surrendering six.

One-Run Edge

Packard defeated Caswell Tailors 10-9 in a Factory Association softball tilt at the Huron diamond last night. The winners drove Earl Meloche to cover in the third inning and resumed the assault at the expense of Slim Patrick after the latter had stopped them for one frame.

Bill Boyd, Packard pitcher, helped his own cause with two hits in two official trips to the plate, while Nick Pidruezny had two in four to lead the Caswell attack.

Windsor Girls Take On Champions Here Thursday

Windsor Silverwoods resume their campaign for the intermediate championship of the Ontario Women's Softball Union tomorrow, it was announced today by Helen Bertrand, district convener of that body.

This next step for the Windsor girls is merely the quarter-final round but as opposition they have none other than the Humberstone's team that won the championship last year and, incidentally, eliminated Silverwoods in the process.

The Windsor-Humberstone series will, of course, be a two-out-of-three-games affair.

Kennedy Stadium will be the site of the opener, with 5 o'clock as the starting time.

The second game, and the third if necessary, will take place on Humberstone's diamond Saturday.

KEEN RACE FOR LEAD

RAYLS, SILVERWOODS ARE VICTORIOUS

Rayls and Silverwoods, waging a merry race for leadership honors in the Women's International Softball league were returned victors in last night's doubleheader program at Kenney Stadium. Rayls hammered out a 15-5 verdict over the Harmonys nine, its Detroit rival while Silverwoods romped off with an 18-3 decision over McCreerys.

In the Rayls-Harmonys game the ultimate winners piled up an 11 run lead in the first three innings and were able to coast from that point on. Sowa, Rayls' pitcher, held the opposition to three hits and was never in trouble. Showman and Green toiled on the hill for the losers. Chabot led the winners at the plate with three hits while Gerber collected two out of the three base knocks made off Sowa.

Easy Victory For Juniors

Making merry at the expense of three Haynes Drugs pitchers while Roy Marchand was turning in a fine six-hit performance and striking out 16 men, Windsor Juniors chalked up a one-sided 16-5 victory in a Border Independent League softball game at Kennedy Stadium last night.

The majority of the Druggists were making their first appearance under the floodlights and resultant nervousness made them look bad afield, two unearned runs crossing in the first frame, two more in the fourth and another pair in the fifth. Jack Lumb pitched the first three innings and Eugene Roussel the fourth.

Turch Evon, with two doubles and a single, and Cec Garrod, with one double and two singles, led the winning batters. Scotty Warnock had a triple and single and Lumb a double and single for the Drugs outfit.

Try American Softball Rules

Leonards and Hiram Walkers played under American rules, with the exception that they used only nine men apiece, in their Border Cities Federation softball fixture at Kennedy Stadium, last night and the use of gloves was a big factor in producing a well-played game. Leonards Federation pacesetters, won it by a score of 6 to 4.

Fred Bolger went all the way as the Leonard hurler but Walkers used two men on the mound. Bill Hudson worked the first three innings and allowed five hits.

None of the winners hit more than once but Nerts Parent had a home run and two singles in a losing cause and Ray Urbanski two singles. In addition to Parent, Mickey McMillan and Cec Lowry, both of Leonards, hit for the circuit. George Chapman, at second base, were the fielding stars.

Windsor Nine Defeated, 14-4

Unable to do anything with the buzz-ball offerings of Rathkowski, the Windsor Kelsey Wheel nine lost a 14-4 decision to Detroit Rangers in an exhibition softball game played before a large crowd at the King Edward School diamond last night. The Detroit hurler held the locals to six hits and was never in serious trouble after his team had given him a five-run lead to work on in the third inning.

STOCK WINS BY SHUTOUT

CLARKE HERO AS FORDS BEAT HAYNES 5-0

Norm Clarke's great pitching backed by flawless support in the field and timely work at bat was too much for Haynes Drugs in their Border Independent Softball League encounter with Ford Stock at Bontront Field last night, Fords winning 5-0.

The game marked Clarke's first start in the league and Manager Ned Burley's choice proved to be an excellent one. With perfect control and a fine change of pace, Clarke restricted the Haynes batters to seven hits, all of them singles and one a bunt. However, he was almost deprived of his shutout by a family affair in the ninth innings. With one out Manager Basil Curley of Haynes lined a single to left-centre field and Harold Bullard left second base to tear for home. Centre-fielder Norm Bullard heaved the ball to Catcher Clarence Bullard and the perfect tag nipped Brother Harold at the plate. Jack Slote then lined to Red Nantais to end the game.

Eugene Roussell pitched a fine game for Haynes and was unfortunate to lose. His control lapsed in the second inning and three runs scored on two hits, a wild pitch and four bases on balls. Red Thompson hit a home run after Norm Bullard had walked in the fifth to account for the other markers.

The Druggists were vastly improved defensively. Mechanically they were perfect with the exception of a bad throw by Roussell, though they were careless at times. Fortunately, the carelessness cost nothing.

Specialties Rout Dairy

Auto Specialties routed Walkerside 24-5 at Kennedy Collegiate last night in a Factory Softball Association fixture.

From the first inning it was "no contest," Specialties counting seven times in that frame on a base on balls, two singles, a double, John Sodai's home run with two aboard and three errors. They led 12-2 at the end of the third and finally drove Johnny Scott to cover after he had given up 15 runs and 12 hits in five innings. George Ferris finished and was no improvement.

Sodai, with a homer and double in three official trips to the plate, and Skaleski, with a double and three singles in seven, led the batters.

Ferris' triple and Reddick's home run were the only extra-base blows Walkerside got as George Martin went the full route. The bespectacled hurler pitched a nice brand of ball and was never in trouble.

SILVERWOODS WIN, 14 TO 9

Beat Humberstone Girls In Softball Tilt At Kennedy

Champions of Ontario, Humberstone's intermediate girl softballers were shown little respect here yesterday as they opened a two-out-of-three games, quarter-final series with Windsor Silverwoods in the provincial playdowns. The Windsorites won, 14 to 9, and in consequence Humberstone is now faced with the difficult task of taking the remaining two games at Port Colborne tomorrow.

RABID CROWD

A small but rabid gathering trooped out to Kennedy Stadium and saw the girls wage a keen and literally bruising battle that was in doubt until the seventh inning, when a weakening Humberstone pitcher saw six Windsor runners cross the plate and tear apart a count that had been knotted at five apiece.

Lil Wilson, Humberstone's big flinger and Winnie Furlonger, her slighter but none the less capable opponent, waged a real duel for six and a half innings. Then came the blow-up, primarily because of Wilson's weakening, but also caused, to some extent, by the fact that Humberstone's regular catcher did not make the trip. Game little Jo Walmsley had a hard time filling her shoes, and youthful Tillie Evans had an even harder time filling Walmsley's shoes at shortstop.

Windsor opened the scoring, but was passed once and overhauled later before finally settling the issue in the big seventh. Jean Hutchinson, who had poled out a healthy home run with Ada Allen aboard in the third, started the winning rally by beating out a hit to short. Jennie Golab rapped a one-bagger to left field, sending Hutchinson to third, and each took a base on a passed ball. Willa Hyttenrauch walked, then Rena Dominato beat out a single to second that was good enough to bring in two runs when the Humberstone girls were caught napping on the play. Jean Bell scored Dominato with a single to right, then took second on a passed ball. Kay Simpson walked and both she and Bell moved up a base as Furlonger grounded to second. Both came home when Evans threw the ball into the stands after taking Mary Goswick's rap. That was all the scoring for the inning, but it was more than enough.

MANY INJURED

Altogether four girls went down with temporary injuries. Walmsley's nose was cut by her mask on a foul tip; Evans was hurt in being tagged out at second base; Dominato fell heavily in hustling back to first, and Furlonger bruised her eye with a foul tip off her own bat.

All four victims carried on gamely and Furlonger emerged as one of the game's heroines. Others who sparkled were Dot Martin, who played a great all-round game, Willa Hyttenrauch Ada Allen Kay Simpson and Wilson

St. Mark's In Easy Victory

St. Marks routed Tabernacle 29-6 in a Tuxis League softball game at Wilson Park last night.

George Logan, St. Mark's pitcher, allowed only six hits, all singles, while he and his mates were getting to Fiddler, Elliott and McFarlane for 23.

Hodgins led all the hitters with two home runs and two singles in six tries. Schwab had two doubles and a homer. Skinner had a single, double and a homer.

The winners made four errors but the losers made thirteen.

Another Loss For Backstay

L. A. Youngs completely outclassed the hapless Backstay Standard team in their Factory Softball Association game at Jackson Park last night, winning 21-3.

Toad Henri restricted the losers to seven hits and batted in the winning run himself by slapping a homer after Hodare had opened the fourth frame with a single. Before that inning was over Youngs had a third marker on Shanahan's base on balls and Racine's two-bagger.

Vic Larke clouted a home run for Backstay in the seventh.

COLUMIA BROACH BOWS TO RATHWELLS, 10-6

Clarence (Bruggy) Bruggeman's "buzz ball" failed him almost completely last night and Rathwell Cycles profited by it to get off to a good start that later was to bring them a 10-6 victory over Columbia Broach of Detroit in an exhibition softball game at the Huron diamond last night.

AUTOMATICS NEAR TOP

COME FROM BEHIND TO BEAT KLEENZALL

Pat Paterson's Ford Automatics climbed within half a game of first place in the Border Independent Softball League last night when they rallied to hand Kleenzall a 9-5 setback in a keenly contested tilt at Shore Acres.

Kleenzall took a 3-0 lead in the third on two hits, an error and a base on balls but two hits and an error tied it up for Fords in the fifth. Kleenzall again went into the lead when Thorne walked four men in the fifth but Fords came back to win in the sixth by scoring five runs, three of them on Bob Neskas' round-tripper after the side should have been retired. Price relieved Roy Meharry after Neskas' clout and for the second night in succession pitched stellar ball. He held the Automatics to one unearned run and no hits. He gave up three tickets to first base.

Thorne, though wild, pitched good ball for Fords. He walked nine men but gave up only six hits and struck out eight.

Take Title In Two Straight

Silverwoods, new to the Bank Softball League, are the 1936 champions. They proved their title claims last night at Mitchell Park by defeating Chrysler Office, 11-6, to sweep the final series in two straight games. Though he weakened later on, Jack Lumb turned in some more fine pitching, but the real box star was Bill Miller, who took over for Chryslers after Clarence (Red) Lee had allowed six runs and six hits in one and a third innings.

Young Elly Thompson had a homer, triple and single in five attempts for Silverwoods, while Playing-Manager Joe Burns had three doubles and two bases on balls. Bill Andrews had three singles for Chrysler and Lloyd Brooker lined a hard homer to right-centre. Lumb and Lee both started fast double plays by grabbing fast liners to the box.

Fail in Clutch

Inability to hit with men on bases cost Haynes Drugs the first game of their best-of-five series with Windsor Juniors for the Dave Zakoor Trophy, Border Independent Softball League consolation award, yesterday. Juniors won 12-9 as 10 Druggists were left stranded. The Junior offensive came to a near-standstill after Basil Curley left the box with 10 runs charged against him on nine hits, including homers by Ossie Soucie and Pip Weaver, and four errors but Cliff Head also settled down to pitch excellent ball in the pinches during four of the last five frames. Head helped his own cause with two doubles and a single in three tries and Jack Thompson and Cy Crossley each had a homer and single in five for Haynes.

Evon, Mates Squelch Rally

A four-run rally when Russ Evon weakened in the eighth inning gave Ford Automatics a few anxious moments at the Huron diamond Saturday afternoon as they opened their best-of-five series for the championship of the Border Independent Softball League but Pat Paterson's crew put down the rebellion in time to win, 7-5. Francis (Zeke) Doran, with a triple and single, and Ron McConnell, with a pair of one-baggers, led a 10-hit attack on Evon while Evon, with a double and two singles, and Joe DeRush, with a double and one single, were leading a 11-hit offensive against Don Dywelska and Bill Cullen. Dywelska went the first two and two-thirds innings and gave up five runs three hits and four bases on balls.

Haynes Drugs started strongly against Lido Venice at Huron Diamond last night ... the second game of their Border Independent Softball League consolation semi-finals but the Venetians proved better finishers and won out 10-8 as Ribs Rihbany turned in another fine game. Eugene Roussel pitched well for Haynes until the sixth. He was hit hard in that frame and the seventh but two errors by Reg Stewart played no small part in his downfall. Rihbany helped himself with a home run and Pete Bullard had a single and double for Haynes.

Fielding in great style behind Jack Lumb's brilliant pitching, Silverwoods came from behind to beat Chrysler Office 5-3 at Mitchell Park Saturday in a Bank Softball League playoff game, despite the fact that they walked into a triple play through slow thinking on the base paths. Lumb allowed only one hit in the last four innings and walked only three men. Red Lee pitched well though he walked nine. Joe Burns' single with two out in the sixth drove in the winning run and the extra one after Cy Crossley had tied the score at 3-3. Andrews hit a home run with one aboard for Chrysler.

Rathwell Cycles staged a great rally against Ford Automatics in their Border Independent Softball League clash on the Huron diamond Saturday but Russ Evon stopped them just in time for Fords to come out on top 10-9 and thereby even their best-of-three semi-final set at one victory apiece. Four pitchers saw service and all except Evon were hit hard and often, with Chow Thorne very wild as well. Lefty Trudell of Fords and Red McCall of Rathwells connected for the circuit, while Joe DeRush poled out a double and three singles in the winning cause. Freak Inning

Haynes Drugs fought their way into the finals of the Border Independent Softball League consolation series for the Dave Zakoor Trophy last night, by defeating Lido Venice 12-11 at Shore Acres in the third and deciding game of the semi-final round. Basil Curley wound up in great style to get credit for the victory after being the principal in an unusual situation. Driven from the box in the third inning, he moved to first base, saw Joe Burns pitch to three batters and walk them all, then went back to the box to strike out three men in a row with the bases loaded. Hitting stars were Warnock and Slote of Haynes, and Matthews Wild and Trumble of Lido. Warnock had a home run.

Four in Four

Sacred Heart chalked up its fourth win in as many Trail Ranger Softball League starts by trouncing Trinity, 13-2, at Patterson Collegiate last night.

Trinity got only four hits off F. Hogan. He walked eight men but had errorless support.

Frank Boundy of Trinity, on the other hand, was reached for eight hits and three free tickets and had very poor support. Trinity totaled 13 errors.

None of the losers connected more than once but Graeber hit a home run. Ouellette, with two doubles and a single, and Pordor and Senay led the winners. Pordor belted one for four bases.

Series Evened

A third and deciding game in the Factory Softball Association's West Division championship series between Auto Specialties and Kelsey Wheel was assured Saturday when Kelsey scored an 18-9 victory in a free-hitting, loosely played affair at Jackson Park. Wilson and Urbanski poled out home runs for the losers but the hitting star of the game was Doug Hatton of Kelsey Wheel, who had a triple, two doubles and two singles in six attempts. Sacred Heart evened the Tuxis League softball semi-final with All Saints last night by winning, 8-2, at Kennedy Stadium. Tidman, who struck out 15 men in the series opener got 11 more victims that way last night but was wild, walking seven and making eight wild pitches. SILVERWOODS TRIUMPH, 4-3

Beat Toronto Rexalls In Opening Game Of Series

By Canadian Press

TORONTO, Sept. 17.—Windsor Silverwoods last night defeated the strong Toronto Rexalls, 4-3, in the first of a best-of-three game playoff series, in the fifth round of the intermediate Provincial Women's Softball Union playdowns.

PLAYED UNDER LIGHTS

The game played at the Olympic Sunnyside ball park, started at 8:15 under the floodlights. The next game will be in Windsor on Saturday and the third, if necessary also in Windsor.

Silverwoods, behind the superb pitching of Winnie Furlonger, played errorless ball. Furlonger had the Rexalls at her mercy with her peculiar and more or less dipping ball delivery for the first six innings. She was consistently in danger after the first half of the seventh. During that inning there were two on bases and only one out. Winnie went to work and struck out the next two batters. In the ninth inning there were three on bases with none out. Winnie struck out two in fast time and made the last batter pop out.

In the sixth inning, after dropping their opening lead, the Windsorites came back with three runs. Golab started the rally with a nice double to left field, and was followed by two singles, which netted two runs. Bell sacrificed and Dominato stole home. The rally continued with Furlonger getting a single but her hit was wasted as the next batter went down before the twirling of Bea Eskow, the Rexall's left-handed speed-ball artist.

Great Contest In Ford Loop

It has fallen upon the Ford Factory League to produce the best contested softball game seen here so far this season. Last night Wheel and Tool Repair defeated Body Build by two runs to one as John Redmond and John King hooked up in a brilliant mound duel. King, the winning pitcher, allowed only one hit and struck out 15 men.

The winners made their two runs on six hits and one error. They committed three fumbles themselves.

Another game in the same league was just the opposite to the Wheel and Tool Repair-Body Build tilt. Die Repair defeated Connecting Rod in this one, 25-12. Die Repair, for whom Wilson pitched and Lever caught, made 24 hits and two errors. Connecting Rod made 14 hits and messed up seven chances. Its battery was Mordy, pitch, and Silk, catch.

Transportation bat Automatics 18 to 14. McLaughlin and Rounge pitched to Kennedy for the winners. Desjardins and Smith were the losing battery.

Jimmy Hogan In Great Form

Sacred Heart looks like the team to beat in the Tuxis Softball League. Jimmy Hogan is pitching in the Sacred Heart cause and that in itself is enough to make the team a contender. For his age. Hogan is probably as good a pitcher as there is in the district today. He started out to prove that yesterday evening, when his team played its first game. Tabernacle was the other outfit and Sacred Heart won 14 to 0. Hogan pitched six innings and during that time not a single Tabernacle player reached first base. L. Quenneville, Hogan's battery mate, walloped two home runs and a double in four times at bat.

In other games All Saints trounced Temple Baptist 16 to 4 and Giles Christian took a heavy scoring game with Westminster, 16 - 11. Errors proved costly in the latter tilt.

St. Marks and Walker were also to have played last night. St. Marks are directed to telephone J. A. McWilliams at 3-7052 in order that this game may be played Monday night.

Kelsey Wheel Wins by 25-9

With Paul Laforet pitching nicely, Kelsey Wheel easily defeated Packard in their Factory Softball Association fixture at Huron Diamond yesterday evening. The score was 25 to 9.

Kelsey poled out 24 hits and had the assistance of 10 Packard errors. The verdict was sewed up in the third and fourth innings, when the winners scored six and five runs respectively.

Laforet allowed nine hits but walked only three men and struck out 12.

Bannon paced the winners at bat with a triple, double and three singles in seven tries. Fields and Smith led the losers, each getting two hits in four attempts.

The fielding highlight was Labonte's sparkling running catch of Bannon's drive in the first frame.

FORD TEAM IS BEATEN

CHEMSALS VICTORS OVER AUTOMATICS

Ford Automatics, with most of last year's Eddie's Recreation regulars making their debut as representatives of the motor company, lost their first start in the Border Independent Softball League last night. They bowed to Chemsals, 10-6, at Bontront Field as Bill Cullen pitched fine ball.

Chemsals hopped all over George Menillo before he had a chance to find his bearings. They opened with two runs in the first and would have had more but for the first of two snappy double plays from Demers to Parent to Lefty Smith. In the second they won the game with five runs on four hits, two bases on balls and two errors. They apparently were headed for another rally in the third but Demers, Parent and Smith staged their second twin killing. That gave Menillo new strength and from there on he pitched shutout ball with the exception of the seventh session, when Chemsals scored their last three runs.

Cullen got perfect support but also helped his own cause with 13 strikeouts. Lefty Trudelle of Fords was the hitting star of the encounter.

Bendix Marks Up Another

The unbeaten Bendix team romped to another one-sided victory in the Factory Softball Association last night when it defeated Backstay Standard at Patterson Collegiate 25 to 9.

For three innings the game was even, the score being 3-3 at the end of that time. In the fourth, however, 13 Bendix men batted for nine runs on five singles, three triples, a base on balls and two errors. From then on it was "no contest."

Two of the winners made six hits in seven times at bat. Evon had a home run, triple, three doubles and two singles. Gallagher had a triple, two doubles and three singles.

ERRORS, CURLEY'S ARM BEAT KLEEN ZALL

Young Basil Curley managed and pitched Haynes Drugs to a winning start in the Border Independent Softball League last night. He held Kleen Zall to six hits at Prince Road Park and the Druggists won 19 to 5.

Haynes got seven hits themselves but the homesters displayed atrocious fielding, committing 16 errors.

Curley struck out six men and walked only two. He had just one bad inning, the sixth. Kleen Zall got three of its five markers in that frame.

Tool and Die Repair Rallies

Leading 15-7 as Tool and Die Repair went to bat in the first half of the ninth inning, Steering Gear gave a first class exhibition of how to blow a game last night when those teams met in a Ford Factory Softball League tilt

As Steering Gear's defense sagged the Tool and Die Repair attack gathered momentum. Swartz was driven to cover and Ted Lebert could not stop the rush either. Tool and Die Repair counted eight times in the ninth to tie the score and went on to add five more in the tenth on two singles, a double and two errors. Steering Gear was blanked in the last of the tenth, so Tool and Die Repair emerged with a 20-15 victory from a game it had apparently lost.

George Raisbeck of Steering Gear was the game's hitting star, with a home run, two doubles, two singles and a base on balls in six trips to the plate. Mike Cieben, a pal of Raisbeck's, led the winners, with a home run, two triples and a single in six tries.

7-1 DEFEAT FOR YOUNGS

AUTO SPECIALTIES IN WINNING MOOD

For six innings at Jackson Park last night Auto Specialties and L. A. Youngs waged the best battle yet seen in the new Factory Softball Association. During that time neither team could score a single run. In the seventh, though, Mickey McCann, Youngs pitcher, weakened. Specialties counted three times on a triple, a single, a base on balls, two stolen bases, a wild pitch and a passed ball. The Young defense was still shaky in the eighth and Auto Specialties got four more before they were retired.

Against Parker's neat eight-hit pitching Youngs could do nothing worth-while. Their only consolation so far as their attack was concerned came in the eighth inning. They averted a shutout then when McCann singled and Shanahan followed with a double.

Automatics In Exciting Win

Automatics defeated Wheel and Tool 11-9 in an exciting Ford League softball game at Vocational School last night.

Desjardins Automatics pitcher, was in great form and struck out 15 to equal the record set by Johnny King last week. King pitched fine relief ball for Wheel and Tool yesterday but the damage had been done before he took the mound, Automatics having hit Dubec solidly.

Beaune poled out a home run, double and single in four tries for Automatics.

Sacred Heart, Giles Triumph

Sacred Heart won a well played game and Giles Christian won a one-sided affair as two more fixtures of the Trail Rangers Softball League were fulfilled last night.

Central United bowed to Sacred Heart, 6-4 at Mitchell Park. The winners were outhit 11 to 10 but played errorless ball while the losers were making three bobbles.

Pichette pitched for Sacred Heart and G. Smith for Central United.

There were no home runs.

Giles swamped Sandwich United 34-6 at Western School.

Dairymen Win

Ken Kersey and his Royal Bank team-mates had Silverwoods under control for five innings of their Bankers' Softball League game at David Maxwell school last night. In the sixth, however, Pete Bullard's single started a rally that has not ended yet. Ten runs had crossed the plate and two were out when Umpire Abbott called the game because of darkness, Silverwoods turning apparent defeat into a 16-9 victory.

Although pitching only his first game of the season, Kersey set down 10 men on strikes with his southpaw offerings. The hardest hit made off him was a long home run that Al Kirby lined out with none on in the third.

After a very wobbly start Jack Lumb settled down and wound up by pitching four scoreless innings for the winners. Lumb's fielding also featured.

MOTORS HANDS FIRST DEFEAT, 20-10

Bendix had its perfect record in the Factory Softball Association shattered last night, with General Motors and Whitey Cummings in the roles of spoilers. The Motors won 20 to 10 and Cummings was the big reason for their winning. Pitching, Whitey allowed 12 hits, walked five and fanned two; batting, he rapped out a triple and three singles in five tries, to lead both teams.

General Motors won the game in the sixth, when the Bendix defense went to pieces and kicked in with three errors that General Motors mixed with a triple and wild pitch for three runs. The issue was put beyond all doubt in the seventh, when Bednick blew sky high, walked seven men and allowed two singles and a triple.

Increase Lead

Silverwoods, leaders of the Bankers' Softball League, increased their margin over the second place Canadian Pacific Telegraphs to a game and a half when they easily disposed of Chrysler Office at Kennedy Collegiate last night. The victory, third in as many games for the Dairymen, was by a score of 19 to 2. Jack Lumb pitched shutout ball for four innings and Silverwoods led 14-0 at the end of that time. Chryslers got their only earned run in the fifth.

L. A. YOUNG BEATEN BY WHEELMEN 22-19

Lloyd Brunner's two home runs featured a 21-hit attack that Kelsey Wheel staged at King Edward School last night to beat L. A. Young's in a wild Factory Softball Association game, 22 to 19.

Paul Laforet managed to restrict Young's to 13 hits while his mates were getting 21 off "Toad" Henri and Trevesal but he was "wilder than a March hare." He issued 10 free tickets to first base.

Bendix Scores Easy Victory

George Martin led Bendix to a one-sided 32-8 win over Walkerside in a Factory Softball Association tilt at Memorial Park last night. As a pitcher Martin allowed nine hits and had only one bad inning. As a batter he belted three doubles and two singles in six attempts.

Handicapped by poor support, George Ferris soon weakened. In the fifth Bendix tallied 10 times on two doubles, four singles, four errors and a base on balls. In the seventh an even bigger orgy drove Ferris to cover and brought in Reddick, who was little better. Altogether the seventh session produced 15 Bendix runs on a homer, a triple, three doubles, six singles and three bases on balls. Eighteen men batted and there were none out when Ferris retired.

LEONARD, HIRAM WALKER SOFTBALLERS WIN

Fans Treated To Good Card

TINSMITHS BEAT DOMESTIC SHORTENING, 5-4 IN 11-INNING NIGHTCAP; DISTILLERS NOSE OUT WEST END IN OPENER

LEONARDS and Hiram Walkers each emerged victorious by one run in an excellent International Men's Softball League doubleheader at Kennedy Stadium last night. Of the two contests the second one was the better. In it Leonards met Domestic Shortening and it was not until the eleventh inning that the Tinsmiths pushed over the run that gave them a 5-4 win. West End provided the opposition for Walkers in the first tilt and one bad inning cost them the decision, 6-5.

Mound Duel

The Leonards-Domestic Shortening battle produced a brilliant mound duel between Fred Bolter and Fred Sargent, a newcomer to Windsor this year after being the mainstay of Chatham Grads for several seasons.

Bolter was the better of the two for seven innings. During that time he was practically invincible. Domestic Shortening got just one hit and that was Whitey Pendlebury's fifth inning bunt that Third-baseman Elmer Bauer did not field, thinking it was going to roll foul.

"Red" Wiseman's single was the only safety off Sargent in the first four innings. The same Wiseman scored the first run of the game after striking out in the fifth. Catcher Pete Tapak dropped the third strike and Wiseman went all the way to second base. He stole third and Manager Alex Norry brought him home with a single.

Tapak more than made up for his error in the eighth. With one out Sargent singled through the box for the first good hit off Bolter. Turch Evon walked and Jimmy Raisbeck singled to fill the bases. Tapak, Domestic Shortening manager as well as catcher, then stepped to the plate and slammed a home run to deep left field to change the score from a 1-0 deficit to a 4-1 advantage.

Poor Support

The Domestic Shortening team's joy did not last long, bad fielding again offsetting Sargent's high-class hurling. Clarence Bruggeman, first up for Leonards in the ninth, was safe on Evon's bobble. Wild pitches moved him to third. Jim Hawken walked after Jim Taylor struck out. Wiseman also fanned. Bauer then smacked a double to score Bruggeman and Hawken, and then Evon presented Leonards with the tieing run by throwing wild on Norry's grounder, Bauer scampering home.

There was no further scoring in the ninth nor in the tenth. In the first of the eleventh, Hawken drew a pass for Leonards with one down. He was nipped trying to take third when Wiseman singled, but Bauer again proved Sargent's nemesis. This time a one-bagger by Elmer was all that was necessary to send in Wiseman with Leonards' fifth run. That was all the encouragement Bolter needed, too. He got rid of the opposition with little difficulty in the last of the eleventh.

Important Hits

Leonards had a 6-5 margin in hitting, largely because Wiseman and Bauer got two safeties apiece. Each of the four was very important.

Tapak's blow, of course, not only was the big one of the game, but also the only extra-base hit the Packers made. None of them hit Bolter more than once.

Besides allowing few hits, both pitchers had fine control. They each walked three men. That they had plenty of speed is best borne out by their strike-out performances. Bolter fanned 13, and Sargent went him three better, making 16 whiff.

C. P. T. Victory

A four-run rally in the fifth inning gave Canadian Pacific Telegraphs a 8-3 victory over Bank of Montreal in a Bankers' Softball League fixture at Mitchell Park last night.

In the big inning Konrad hit a homer with two on base and Boycott followed it up with another four-base clout.

Both Morrow and Schmidt, opposing twirlers, went the route, the former striking out five Bankers.

Civic Games

Engineers and Water Board won Civic League softball tilts last night.

Engineers defeated City Hall 28-6. They had a margin of 22-12 in hits, with Dickens and Sisson forming the winning battery and Holden and Robson pitching to Newman for the losers.

Welfare "A" bowed to Water Board. Water Board got 10 runs on 16 hits and Welfare "A" six on 14. Scarr and Atkins worked for Water Board and Holland and Rouffer for Welfare "A."

West Ends Start Well

West Ends started impressively against Walkers, scoring three times in the first innings, but they slowed down as lanky Allie MacMillen steadied.

Two walks and singles by Tom Paterson and Herb Smith provided those first three West End runs. Walkers got one of them back in their initial turn at the plate when Mark Wood homered.

Three scoreless innings followed for each team, then West Ends got another run, this one on Bob Weir's double, Jack Douglas' sacrifice and "Red" Kennedy's single. In their half of the same session the Distillers found their batting eyes. Wood, Jack Smith, Nerts Parent and Ted Lebert all hit singles off Ted (Lefty) Jacomb and the West End fielders kicked in with two errors, the splurge netting Walkers four runs and a 5-4 lead.

A walk to Herb Smith, a wild pitch, a fielder's choice and Ted Jacomb's two-bagger put West Ends back on even terms in the first of the sixth, but Walkers got the run right back in their half. They went in front for keeps when Andy Armstrong singled. Wood and Hudson flied to the outfield, and Jack Smith ferried home Armstrong with the second single of the inning.

WALKERSIDE LOSES 13-12

AUTO SPECIALTIES IN ANOTHER VICTORY

Leading 7-1 at the end of the third inning, Auto Specialties apparently were headed for an easy victory in their Factory Softball Association tilt with Walkerside at Kennedy Collegiate last night. However, they won out by the narrowest of margins, 13-12. John Sodai scored from third with the winning run after Tommy Wilson took Chuck King's long fly for the second out in the ninth.

A home run by S. Reddick with the bases loaded in the fifth frame put Walkerside back in the running after all seemed lost. The Dairymen outhit their rivals, 16 to 12, including three homers in their attack, but weak fielding was a big handicap to them.

George Ferris, Walkerside pitcher, was the game's standout performer at the plate. On the mound, though, he was too wild. He struckout 10 men but walked eight.

Wheelers In Form

Kelsey Wheel came through with its best game of the season last night at King George School to score a 20-3 victory over General Motors in their Factory Softball Association pitcher.

Labute, Motors' starting hurler, showed the Wheelers pitches as big as balloons and was reached for 10 runs and eight hits before being yanked with one out in the third. Cummings took over then and slowed down the attack but could not stop it.

Laforet turned in his best mound effort for Kelsey and allowed only four hits, though walking seven. He struck out 11.

Ludy had a home run and triple and Brunner two doubles to lead the winning attack. Rossi was the only loser to hit twice. Both his knocks were one-baggers.

Ford Nine Triumphs

BEATS HAYNES DRUGS BY 9-6 SCORE

Haynes Drugs gave Ford Automatics a stubborn battle at Bontront Field last night but went down by a score of 9 to 6 in their Border Independent Softball League fixture.

It might have been a different story had Joe Curley started the game instead of his more experienced brother, Basil. Basil was decidedly "off" and Fords got eight of their nine runs off him before he turned over the pitching assignment to Joe at the end of three innings. The latter then proceeded to hold the hard hitting Automatics to one run during the last five frames.

George Menillo of Fords was reached for 13 hits but was usually effective in the pinches. However, he eventually gave way to Russ Evon, who pitched the ninth and retired the side on strikes with only a base on balls to mar his record.

Surprise Win By Wheelmen

Kelsey Wheel scored an upset in the Factory Softball Association last night when it beat Auto Specialties 21 to 18 at Kennedy Collegiate. It was distinctly a game for batters, the pitching and fielding being very weak on both sides. Only George Martin, who held the winners to one hit and two bases on balls in the last two and two-thirds innings, had any success on the mound.

The Specialties got away to a great start. They scored six times in the first inning and led 14-6 at the end of the fourth. The Kelsey attack began to gain momentum then, however, and the climax came when eight runs crossed in the seventh inning.

N. Skaleski, with a home run, a double and three singles, led the Kelsey Wheel attack. Ray Urbanski set the pace for Specialties with a homer and three singles. McTavish, Lidy and Wright also homered for Kelsey Wheel and Wilson for Auto Specialties.

13-Run Deluge

For seven and a half innings Saturday Pat Patterson's Ford Automatics, one of the favorites in the Border Independent League pennant race, and Silverwoods, leaders of the Bankers' League, waged a nip and tuck softball game at Bontront Field. In the last of the eighth however, Fords went wild to score 13 runs on a home run, a double, three singles, a fielder's choice and five errors as the Silverwood fielding and pitching collapsed simultaneously. When Automatics went to bat in the eighth they were trailing 7-6 but as a result of their orgy they ran out winners 19 to 8.

Russ Evon was the star of the game. Although reached for seven hits and five bases on balls he struck out 12. At bat he poled out a home run, two doubles and a single in five official trips.

Porter of Silverwoods allowed only seven hits in the six innings he worked but walked 12. He struck out five. Eleven of the runs were charged against him. The others came off Burns, who failed to stop Fords' big rally after the first five men to face Porter had reached base.

Basil Curley In Top Form

To Basil Curley goes the honor of pitching the first no-hit game in local softball circles this year. On the hill for Final Assembly against O.K. Line in a Chrysler League game Curley did not allow a single safety in the seven-inning contest. As a matter of fact only one of the losers reached base, Bordeau drawing a pass with two out in the fifth inning and dying on the initial sack. Fifteen of the 21 possible O.K. Line outs were by way of the strike-out route. In that form Curley did not need much support, but what he did get was flawless.

Besides starring on the mound Curley also shone at bat, getting a home run and a single in four tries. However, the outstanding player offensively was Babe Nantais, who slammed a home run and three singles in five tries.

Altogether the winners made 18 hits off Squires, who went the route for O.K. Line.

For St. Mark's

St. Mark's beat Temple 15-14 in a free-scoring Tuxis League softball tilt at Kennedy Collegiate last night. Each team hit safely 12 times, fielding being the deciding factor. Both teams were weak defensively, but Westminster committed 10 misplays to its opponent's eight.

Waterman and Turner pitched to Royan for Westminster. Neither was very successful but Turner starred at bat with two singles in three tries. Royan knocked out a pair of doubles.

Cowan and MacMillan led the St. Mark's attack, each getting three hits in five attempts. The former hit a home run and the latter a two-bagger. Clarke pitched to Schwab for the winner.

Temple Loses

Sacred Heart defeated Temple Baptist 15-5 in a Tuxis League softball game at Patterson Collegiate last night but the contest was closer than the score indicates.

Bishop of Temple was the leading hitter on view with three singles in four times at bat. Roy of Sacred Heart had a single and triple in four.

Leo Hogan and Jimmy Hogan pitched to Quenneville for the winners and Taylor and J. Wood to Hawkeswood for the losers.

Sacred Heart made nine hits and erred three times. Temple made nine hits and erred seven times.

Good Win By Stearing Gear

Yesterday's meeting of Body Build and Stearing Gear at Ontario Street school proved to be one of the best games yet played in the Ford Factory Softball League this season, Stearing Gear winning out 9-8 by scoring a run in the last half of the tenth inning.

Raisbeck led the winners at bat with three hits in five tries and Heaton and Hatnen were close behind, with two in four. Among the losing hitters Malott had two in five, the only member of his team to connect more than once.

SILVERWOODS, RAYLS WIN INTERNATIONAL SOFTBALL TILTS

MICHIGAN STATE TITLEHOLDERS RALLY TO NOSE OUT HARMONY SWEET SHOP RIVALS BY SCORE OF 9 TO 6

SILVERWOODS, champions of the Border Cities Federation last year, and Rayls, holders of the Michigan title, were victorious at Kennedy Stadium last night as the International Girls' Softball League offered another twin bill.

Both games were thrillers. Silverwoods scored four times in the last half of the eighth inning to beat McCreerys, their Windsor rivals, 5-3 in the nightcap. Rayls came from behind to beat their fellow-Detroiters, Harmony Sweet Shop, 9 to 6.

All Saints Win

With Tabernacle committing 10 errors, All Saints had an easy time chalking up a Tuxis Softball League victory at Lanspeary Park last night. The Saints made 19 runs to Tabernacle's nine, the pitching being rather weak on both sides. The losers got only five hits off P. Carter, but he walked nine men. Fiddler and McFarlane of Tabernacle also walked nine between them and allowed 13 hits in addition.

Upham slammed a home run, triple and double for All Saints. Trojand got three singles and Johnson also homered. Phillips was the best of the losing hitters, with two one-baggers.

Pitching Duel

The Silverwoods-McCreerys game was an exceptionally good one. Neither team got a hit until the last of the fifth, when Ada Allen of Silverwoods beat out a bunt. The Dairymaids had scored in the first, however, when two errors and two wild pitches let in a run.

For the next five innings Greta Kain of McCreerys and Winnie Furlonger of Silverwoods waged a scoreless duel.

McCreerys got their first hit with one out in the seventh and once started they were hard to stop. Valerie McWilliams broke Furlonger's spell when she singled as a pinch-hitter for Richardson. She stole second and scored when Stella Krol bobbled Vera Charley's roller. Lurline Palmer and Rosella Raisbeck then singled. Charley and Palmer came home on Mary Goswick's wild heave to the plate. That made the score 3-1 and the way Kain was going the Silverwood outlook was black.

Winning rally

The last half of the eighth started mildly enough when Jean Hutchinson, first batter, was retired. Jenny Golab walked and Mary Goswick got a life when Gault dropped her easy pop foul. Raisbeck matched Gault's generosity by throwing the ball into the stands when Goswick grounded to her. Golab crossed the plate on that one. Kay Simpson popped, but Furlonger helped her own cause with a single over third to score Goswick. Allen and Willa Hyttenrauch also singled. Palmer then completed the collapse of the McCreery defense by making a bad throw that permitted Furlonger and Allen to score and bring the tally up to 5-3.

It was a heart-breaker for Kain to lose but would have been even tougher had Furlonger been beaten. The ex-London star allowed only three hits and struck out 15. Kain gave up [illegible] and passed 13. Furry hit

First For Rayls

Rayls and Harmony Sweet Shop played United States rules in the opener and gloves enabled them to play snappy ball afield. This game, too, featured the work of the pitchers, the only extra-base blow being Chabot's three-bagger that tied the score in the third inning.

The victory was Rayl's first of the league campaign.

Detroit Nine Blanked, 7-0

DAIRY CLUB BEATS HARMONY SWEET SHOP, 7-0, WHILE McCREERYS ABSORB 12-3 DRUBBING AT HANDS OF RAYLS

SILVERWOODS took over sole possession of first place in the International Girls' Softball League by standing by and seeing McCreerys, their fellow-Canadians, undergo a 12-3 defeat at the hands of Rayls in the second game of last night's doubleheader at Kennedy Stadium. The Dairymaids did the best they could for themselves by beating Harmony Sweet Shop in the opener, 7-0, then waited to see if Rayls would do their part.

P.-C.-M. Loses

Provincial-Commerce-Montreal bowed to Silverwoods, 16-8, in their Bankers' League softball game at David Maxwell School last night but put up a somewhat better battle than the score indicates. It was the fourth win in as many league games for the Dairymen and the fourth league victory for Jack Lumb.

Lumb aided his own cause last night by lining out three two-base hits to edge out Jack Thompson, a teammate, for batting honors. Thompson had a triple and a single. Cliff Graber and Gordon Lanspeary were the offensive stars for the losers, in whose cause Schmidt did some good pitching in spots. Graber and Lanspeary each had two hits in four attempts.

Good Pitching

The gathering of from 250 to 300 fans saw some really high-grade girls' pitching in the first game Friday. Between them the Silverwood and Harmony Sweet Shop batters could get only seven hits as Pitcher Winnie Furlonger and Jackie Showman baffled them inning after inning. From the standpoint of good play it was the pitchers who dominated the situation, but poor fielding actually was the deciding factor.

Whereas Furlonger received flawless backing in the field, Showman's mates committed six errors and the handicap was too much for the little girl who used to do her softball playing on this side of the river. Showman was certainly unlucky to lose last night's game. Furlonger allowed three singles but walked six batters. Showman allowed three singles and a double but walked only three girls.

Jean Hutchinson, attractive wife of the Silverwood manager, scored the winning run as early as the second inning. She drew a base on balls and completed the circuit when Catcher Gould threw the ball into right field.

Fine Fielding

Furlonger and Silverwoods' good fielders never gave the Detroiters a chance to threaten. The three hits the losers did get were spread over as many innings. Showman got the first one in the third frame. LaValley got the second in the fifth and Edith Spindleman, another ex-Windsorite, got the third in the seventh and last session.

Daisy Kain Wild

Rayls had things very much their own way in the nightcap. Daisy Kain, McCreerys' starting pitcher, was wild and was charged with four runs on one hit and four bases in one-third of an inning. Mabel Ramsey took over the pitching job at that point and restricted the Detroit team to four hits and three bases on balls in the remaining five and two-thirds innings. Three of the hits, however, were healthy home runs to deep centre field and the McCreery fielders were anything but a help as they muffed seven plays.

"Whistler" Sowa, Rayls pitcher, was in great form and had McCreerys helpless for five innings. In the sixth, though, her support fell to pieces and the Canadians managed to avert a shutout.

Ida McDonald slammed a homer to deep right-centre for McCreerys in the seventh. Babbish, Chabot and Lesinski got Rayls' four-baggers and Chabot also hit one for three bases

Walker Road Cops Fourth

Clarence Gelinas, of Walker Road pitching his first game of the season gave Temple just three hits, two of them scratch singles and the other a double, at Walker Road. With Gelinas in that kind of form, Walker Road came through with a 6-1 win in the Tuxis Softball League game.

The winners got only four hits off J. Wood, but used them to good advantage by mixing them with a base on balls and two errors. Three of the hits were singles, two of them by Bill Whalley. The other was a double by Tom Gelinas.

Butt collected the double and one of the singles allowed by Gelinas and B. Wood bagged the other single. The losers drew only two free tickets to first base.

It was Walker Road's fourth win in four starts and Temple's fourth loss in four.

Builders Click

After three straight defeats Body Build came back strongly last night to beat Cold Header 7-2 in a Ford Factory League softball game at Jackson Park.

While Cold Header was getting only five hits off Redmond, Body Build got to Few for 16 safeties, including three doubles and a single by Melinoff and a home run and two singles by Malott.

Hall and O'Neil were Redmond's battery mates and the winners erred three times. Antava caught for Cold Header, which made only one misplay.

STARTS WELL, BUT IS DEFEATED, 17-4

Lido Venice gave Rathwell Cycles a real argument for three innings of their Border Independent Softball League meeting on the Huron diamond last night. Unfortunately Pitcher Rihbany weakened in the fourth and Tourangeau failed to check the homesters' attack when he took over in the seventh, Rathwells going on to take a rather easy but well earned 17-4 win.

P.-C.-M. Outfit Whips Chrysler

The combined bank entry, Provincial-Commerce-Montreal served notice last night that from now on it will take some beating in the Bankers' Softball League by trouncing Chyrsler Office 15-5 at Mitchell Park. Chryslers walloped C. P. Telegraphs on Tuesday night and had turned in a high class performance.

Cooke did mound duty for the Bankers last night and although a little wobbly at the start, the Motor boys scoring three runs in the first two innings, settled away and held the losers to seven hits. In addition he received splendid support.

P-C-M's were in a hitting mood and touched Janisse for 16 good hits, including an eight-run rally in the fifth inning, Roy helping it along with a home run.

LEONARDS, DOMESTIC SHORTENING WIN SOFTBALL TILTS

West End Is Beaten Again

HEAVY HITTING FEATURES INTERNATIONAL LEAGUE DOUBLEHEADER PROGRAM AT KENNEDY COLLEGIATE STADIUM

LEONARDS kept their slate clean and West End made another futile bid for its first victory of the season as the International Men's Softball League staged another of its twin bills at Kennedy Stadium last night. Leonards were superior to Hiram Walkers in the curtain-raiser and won 13-5. West End lost a free-hitting nightcap with Domestic Shortening 12-8.

Perfect Support

In the first game Fred Bolter, Leonard hurler, allowed ten hits and walked six men but was accorded perfect support in the field and sound backing at the plate. Leonards smacked Allie MacMillen and Bill Hudson for 14 safeties in the seven-inning contest, abbreviated because of the time limit. Four of the hits were home runs, two by Elmer Bauer and one each by John Zerbin and Mickey McMillan. McMillan also banged out a three-bagger.

Bolter would have had a much easier time if Harry Heydon had not been in the Walker lineup. In a bad batting slump since the start of the season, the lanky young outfielder emerged with a rush to blast two home runs and a double in three official trips to the plate.

Still Below Form

West End's players continue to amaze their supporters with their feeble efforts this year. The team does not seem to be able to get going at all. The fielding has been none too good and the pitching likewise but it is in the hitting department the West Enders have really fallen down. Accustomed to seeing their favorites stage rallies that produced anywhere from five to ten runs, West End fans this year are seeing runs all right but not in the usual quantities.

Last night the West Enders looked like their former selves in just one inning and by that time it was too late. They counted three times in the fifth on three hits, including Red Kennedy's homer with one aboard. When they went to bat in that frame, though, they were trailing 12-2, so the rally did not give the Shortening nine much concern.

Gerald Curley was on the hill for Domestic Shortening and it marked his first game in the Federation since 1934. He was not particularly brilliant but pitched steadily. He had enough stuff to strike out seven men. He walked four.

De Rush Slugs

Home runs are plentiful in the Ford Factory Softball League so Joe De Rush decided to go out and get himself a few last night. He socked three for Punch Press to lead that team to a 22-11 win over Connecting Rod at Walkerville Collegiate.

In addition to De Rush, Pitcher Leo Primeau, Abram and Mercer got a four-bagger apiece in the winners' cause and Keenan hit one for the losers.

Primeau went the full distance, as did Whitesill of Connecting Rod. Wilson caught Primeau and Silk caught Whitesill.

Assembly Wins

No longer is Final Assmbly winless and alone in the cellar of the Ford Factory Softball League's Division "B." Last night at Lanspeary Park the Final Assembly outfit trimmed Transportation 20 to 9, thereby dragging the latter down into the basement for company.

Final Assembly made 18 hits off Runge and Smithson while Transportation could get only eight off Sorrel. Laforet was Sorrel's catcher, while Kennedy and Ducharme worked behind the bat for the losers.

Among the 26 hits were home runs by Ohely of Final Assembly and Lounge of Transportation.

Youngs Whip Packard 18-4

L. A. Youngs had little trouble beating Packard in their Factory Softball Association game at the Huron diamond last night, the final score reading 18-4 after Youngs had led all the way.

While Henri was going the route for the winners his mates were driving L. Fields from the mound in six innings and continuing the attack against Boyd. Shanahan and Hodare each getting three hits including a homer apiece in the fourth frame.

Hebert and Bidnock, with two hits apiece, led the losers at bat and O. Fields slapped a home run.

SACRED HEART, GILES, WALKER ROAD WIN

Sacred Heart maintained its perfect record and Tabernacle failed to score its first victory of the season in Tuxis League softball games played last night.

Sacred Heart trounced Giles Christian at Patterson Collegiate, with L. Hogan pitching nine-hit ball and M. Rondot leading a 22-hit attack. R. and L. Daniher paced the losers with three hits each. The score was 21-4.

At Marlborough School Tabernacle was beaten 8-3 by Westminster, Waterman holding the losers to four hits while he and his mates got 10 off Blair and Elliott. Sheppard, Strawn and Waterman each connected twice for Westminster.. None of the losers hit more than once.

In a Trail Ranger League tilt, Walker Road took its second game in as many starts by outscoring Giles Christian 10-8. It was Giles Christian's first loss in two games.

Elliott and Barton pitched for the losers and Borisz for the winners.

Earish, Bisnett, Gelinas and Borisz got two safeties each for Walker Road. Bridges led Giles Christian with three in as many tries.

Bendix In Comeback

Bendix, Factory Softball Association leader, seemed to be in a bad spot after an inning and a half of their game with Auto Specialties at Ontario Street School last night but soon the outlook was much brighter. The Bendix batters had driven George Martin to cover in two innings, they hit Chuck King's offerings hard and often and Louis Bednarick did a fine job of relief pitching after relieving Miles Cushman to start the third frame. Ultimately Bendix won by a score of 17 runs to 11.

Bednarick yielded only two runs and three hits in the last seven innings and his mates, in the meantime, brought their hit total up to 19. Eight of the 19 Bendix safeties were equally divided among Russ Evon and Charley Menillo. Two of Evons clouts were good for bases each and he also connected for a two-bagger. Elmer Bauer contributed a third Bendix home run.

Ray Urbanski led Auto Specialties' 11-hit attack with two homers and a double in four tries.

12-TO-10 WIN BY PACKARD

BACKSTAY STILL AFTER FIRST VICTORY

Packard and Backstay Standard proved to be well matched when they met in a Factory Softball Association game on the Huron diamond last night. Packard won 12-10 to mark up its second victory of the season and leave Backstay still winless after five starts.

The game was won and lost in the sixth when Packard counted three times on two singles, two errors and a stolen base.

Chatham Girls Defeat Windsor McCreerys By 16 to 3

CHATHAM, June 19.—Chatham Silverwoods went to bat for the Maple City last night when they handed Windsor McCreerys a 16-3 setback in an exhibition girls' softball tilt under floodlights in Tecumseh Park.

A REAL UPSET

Two weeks ago the Windsor outfit came to Chatham and trimmed Lister and Ost girls 31-10 and last night's verdict was something of an upset.

Tool Room Out To Even Set

Punch Press Department hopes to become the first champion of the Ford No. 2 Plant Softball League Tuesday morning. At 10 a.m. that day they go into action against Tool Room in the second game of the best-of-three final playoff series. The Tool Room boys, who prefer to be known as Terrors, bit the dust in the opener, 12-7.

This series is the culmination of interesting competition that has been going on for most of the ball season. Players are men who work the night shifts and the league drew six teams Plating, Steering, Cylinder Block and Valves were the others in addition to Tool Room and Punch Press. E. H. "Mac" McLean was the chief organizer and holds the position of president. He has arranged for suitable trophies for the winners and runners-up.

Jack Blackburn managed the Tool Room aggregation and Charlie Johnson the Punch Press.

Close For Chemsals

FORCED INTO 11TH TO BEAT HAYNES 9-8

Chemsals are still unbeaten and on the top rung of the Border Independent Softball League ladder but they had a very close call last night. Basil Curley's Haynes Drugs outfit forced them to go 11 innings before winning out 9-8. It was the leaders' toughest tilt to date.

The C. I. L. men proved their mettle by overcoming a 6-0 deficit with a seven-run rally in the fifth on two singles, two doubles, a triple and two errors. It was the only inning in which they earned any runs, the first four markers being officially merited. The winning run crossed after two men were out in the eleventh. Jack Slote took his eye off the ball as Jack McCann tossed it to him for a force play that should have been the third out. The ball rolled into left field and Roy Prittie slid across the plate to end the game.

Bill Cullen's sparkling relief pitching was the feature. He worked seven innings, allowed but three hits and the two runs scored off him were unearned.

Each team earned four tallies. The Druggists got all theirs off Don Dywelska.

Fifth For Dairymen

Silverwoods hung up their fifth straight victory in the Bankers League by defeating Canadian Pacific Telegraphs 13-12 at David Maxwell School diamond last night, but it was the closest call to date for the Dairymen. An eight-run rally in the sixth inning, when the Communicators were leading 11-5 was the winning factor, although the losers managed to put across a single tally in the seventh and more the tieing counter to second base before the side was retired.

Len Winch opened the big sixth frame with a hit to left and his teammates continued the attack on Jimmy Morrow with five hits, a walk, and taking advantage of two errors, before Alex Fiddes was called to the rescue.

Pete Bullard of Silverwoods banged out a home run and single and walked once.

Tommy Woodward with two singles, a double and walk, in four trips, led the C. P. hitters.

Leonards Bow To Shortening

RETAIN LOOP LEAD DESPITE 6 TO 5 DEFEAT; THREE TEAMS TIED FOR SECOND PLACE AS WEST END BEATS WALKERS

LEONARDS are still leading the field in the International Men's Softball League despite a 6-5 defeat suffered at the hands of Shortening in the Kennedy Stadium nightcap Thursday, but the race is gradually becoming the genuine thing. West End beat Hiram Walkers in the curtain-raiser, 10-6, and a three-way tie exists between these last two teams and Shortening for second place.

Errors Costly

Seven errors by the Distillers put West End on the right road in last night's opener. Three of the misplays were combined with singles by Hank Pacey and Bob Weir to give West End four runs in the fourth and put them in front, where they stayed for the rest of the game. They settled the issue in the fifth with two runs on one-baggers by Jack Douglas and Stan Venning, two wild pitches and another error.

Allie MacMillen's usual wildness played no small part in his downfall. Pacey's control was far from par but Hank was good in the pinches.

Curley Again

Gerald Curley of Shortening made his second start of the season in the wind-up, while not as good as in his first, he again pitched high grade ball. Though allowing 13 hits, his only fault was a bad start. He finished with seven scoreless innings in succession, not a man passing second base.

Fred Bolter allowed only seven hits but Shortening made them count.

Steady plodding paid dividends for Shortening. Down 5-2 at the end of the second, they picked up their runs singly. They finally won out in the ninth when Hank Bullard reached second as Jim Hawken dropped his high fly back of the mid-station, moved to third on a wild pitch and crossed the plate on John Zerbin's passed ball.

AUTOMATICS WIN BY 4-1

RATHWELLS AGAIN BOW TO RUSS EVON

For the second time this season Ford Automatics particularly Russ Evon, have proved too good for Rathwell Cycles. Last night at Bontront Field the Automatics won 4-1 to hand the Peddlers their second defeat of the campaign and in a game that had first place in the Border Independent Softball League as the prize. Evon allowed only two hits and two bases on balls. He struck out 10 men.

Lefty Nolan pitched high grade ball for Rathwells after the third inning but it was too late then. Ashey Demers drove in Nerts Parent with a single in the first frame. Izzy Robinet homered in the second and Evon got credit for a homer with Laliberte aboard in the third when Skelly misjudged his fly to centre field.

A base on balls to Roy Briscoe, a wild pitch, a stolen base and Bob Neskas' heave into the crowd deprived Evon of a shutout in the ninth inning.

Bank Loop Inaugural Tuesday

With five teams in line for the 1936 campaign, Windsor Bankers' Softball League gets another, and its most promising campaign, under way Tuesday evening with a game between Canadian Pacific Telegraphs, the defending champions, and Silverwoods, new entrants, at Mitchell Park, Giles boulevard at Church street.

Only two banks will take part this year, whereas there were three in 1935, but those two will have much stronger teams, as they are allowed to draw on any other banks in the vicinity. The fifth entry is Chrysler Corporation Office, reputed to be capable of giving the other four teams all the trouble for which they may be looking.

Kennedy Collegiate and David Maxwell School, Francois road at Reginald street, will be used in addition to Mitchell Park, and all games will start at 6:00 p.m.

They Rule Windsor Separate Schools Softball Ranks

THIS HAPPY GROUP represents the St. Angela School softball team, winner of the Windsor separate schools senior boys' championship this season. St. Angela eliminated De La Salle to win the title. Left to right the lads are, front row: Roy Ouellette, Jack Nicol, Peter Merschback, Leonard Brueggeman and John Merschback; shown in the back row are: Frank Hogan, Nador Poder, Arcade Renaud, Brother Martin (coach), John Marsh, Armand Pichette and Ray Meloche.

WEST END IN INITIAL WIN

Hands Leonard Nine Its First Defeat Of Season, 12-5

Followers of the West End club in the Intercollegiate Men's Softball League are a lot more contented today than they were this time yesterday. Last night the West Enders stepped on to Kennedy Stadium diamond to mark up their first victory of the season. To make the triumph all the sweeter, it was scored at the expense of the league-leading Leonards, previously undefeated. The count was 12 to 5.

ROBSON DOES IT

On more than a few occasions in the past Robbie Robson has been the hero of West End victories He was back in the role last night and he won it by his pitching. Robbie's offerings, as usual, were hardly fast enough to make the Leonard batters back up nervously but his control was perfect and his support nearly so Leonard got 12 hits but could bunch them only in the eighth and last inning, when Red Wiseman sandwiched a home run between singles by George Chapman and John Zerbin.

West End's bats were stilled by Freddie Bolter for five innings in succession but in the innings that preceded and followed those five told the tale. It was the West End attack of old that Bolter encountered in those other three sessions.

The West Enders opened with a bang by scoring three times in the first frame on single by Bob Weir and Bill Bayne, Wiseman's muff of Red Kennedy's lift to the outfield, Tom Paterson's single and a double by Stan Venning.

Bolter and his mates found the opposition attacking twice as furiously in the second inning. Jack Douglas opened with a walk only to be forced by Robson, but the latter was safe when Chapman threw the ball away trying for a twin killing. Weir walked and Payne doubled, then Smith and Kennedy singled in succession. Paterson then poled out a homer good for three runs before Venning and Hank Jacomb grounded out to Third-baseman Elmer Bauer.

THREE MORE RUNS

The five scoreless innings came next for West End but in the eighth Weir's double, singled by Payne and Paterson and a walk to Smith produced three more runs. That was as far as the teams got, the time limit ending the encounter at the conclusion of the eighth. Altogether West End made 15 hits.

The other league game went to Hiram Walkers by default when Shortening failed to field a team. Walkers played a combination of Shortening, West End and Leonard players in an exhibition.

Lansing Girls At Kennedy

For the first time this year Windsor softball fans are to have the opportunity of seeing in action a team other than one from the Windsor and Greater Detroit area. Tonight, at Kennedy Stadium, Silverwoods, leaders of the International Girls' League, are to take on the strong City Transport Club of Lansing, Mich.

Silverwoods are one of three teams sharing first place in the four-team league here. They have won four of seven games. City Transport is the pace-setter in its League but has a much more impressive record. So far the Lansing girls are unbeaten this year.

The Lansing team is claimant to the championship of Michigan. Detroit Rayls, of the local league claim the same distinction, but the Detroit region is not included in the National Amateur Softball Association.

Tonight's game will start at 8 o'clock. It is sponsored by Palace Lodge.

HAYNS DRUGS SUFFERS 16-9 SETBACK

Lido Venice broke into the win column of the Border Independent Softball League last night with a well earned but rather surprising victory over Haynes Drugs on the Huron diamond, 16-9.

The last seven innings were evenly contested, the Venetians winning by pounding Eugene Roussell for nine runs and nine hits in the one and two thirds frames he worked before Manager Basil Curley relieved him. Curley struck out 10 men but was also hit often, Lido Venice totalling 22 safeties.

Rhibany went the route for Lido Venice and had much better support than his two rivals. The winners got nine unearned runs, the losers only two.

Hebert slugged out two home runs for Haynes and Bullard one. Matthews had a great night in leading the Venetians, with Wilds a close second.

HAYNS DRUGS SUFFERS 16-9 SETBACK

Lido Venice broke into the win column of the Border Independent Softball League last night with a well earned but rather surprising victory over Haynes Drugs on the Huron diamond, 16-9.

The last seven innings were evenly contested, the Venetians winning by pounding Eugene Roussell for nine runs and nine hits in the one and two thirds frames he worked before Manager Basil Curley relieved him. Curley struck out 10 men but was also hit often, Lido Venice totalling 22 safeties.

Rhibany went the route for Lido Venice and had much better support than his two rivals. The winners got nine unearned runs, the losers only two.

Hebert slugged out two home runs for Haynes and Bullard one. Matthews had a great night in leading the Venetians, with Wilds a close second.

Automatics Take Title

Pete Snyman, Chemsal manager, announced immediately after the game that Chemsals would protest, but unless they do, and the protest is upheld, Ford Automatics last night won the championship of the Border Independent Softball League by smothering the C. I. L. outfit 20 to 6. League rules called for the game to go nine full innings. When Automatics began to make a rout of the affair Chemsals began stalling. Umpire Harry Shananan called the game and it was automatically forfeited to the Ford outfit. Previously Pat Patterson's collection of sluggers had won two games and played one tie, while another was called because of darkness with Chemsals leading.

Russ Evon again proved far too good for Chemsals last night. His pitching was nothing sensational but it did not have to be, for both Stan Taylor and Bill Cullen were hit hard. Izzy Robinet swaggering outfielder, had a particularly good night for Automatics, with a home run, two doubles and a single. Taylor lasted only two and two-thirds innings.

Coniston, Silverwoods Clash at Kennedy Tomorrow

By tomorrow evening Windsor may have its first Ontario Women's Softball Union championship and the third provincial softball title ever to come here. Windsor Silverwoods can bring that championship here by winning one game at Kennedy Stadium. If necessary, they will have two chances to do the trick.

The Windsor girls and an aggregation from Coniston conclude a best-of-three series for Ontario intermediate laurels at the stadium tomorrow. Windsor is one up and needs only one more victory in consequence. The teams play at 2:30. If Windsor wins the series will be over. If Coniston takes that game and evens the set, another will be played at 5 o'clock to settle the issue. Bulletins on the World Series will be issued.

Windsor teams, particularly Silverwoods, have come close to winning an O.W.S.U. title several times but have never quite made the grade. This time they are favored to do so. Their margin in the opener at Sudbury was 10-4 and their superiority apparent.

After the way Winnie Furlonger pitched two victories on one day in the quarter-finals at Humberstone her mates figure she should be able to dispose of Coniston tomorrow. Word from the east says the Humberstone team looked better than Coniston.

Kennedy, Patterson Girl Softballers Win Openers

Windsor Secondary Schools Association's 1936-37 sport campaign was opened yesterday afternoon with the playing of girls' softball games on the Patterson and Kennedy collegiate grounds, with the home team victorious in each case.

Thanks to an 11-run splurge in the fourth inning, Kennedy started its season successfully by defeating Walkerville Collegiate 18-13 in an abbreviated and loosely played game.

It was close until the big fourth, when nine hits combined with five miscues enabled Kennedy to go on their spree.

Burns, McCauley and Barton of Kennedy led the hitters with three safeties each, while Bonhom, with two hits in three times up, was the best of the losers. Lumley of Walkerville and Kroskie of Kennedy hit for the circuit

Substitutions were frequent as both coaches sought to find the best combination.

Walkerville	240	16—13	9	9
Kennedy	313	11x—18	18	12

Bonhom, Hutchinson and McClymont; Gallon, Burns, McCauley and Jones, McMillen.

Patterson defeated Gordon McGregor Continuation School 9-1 but the east-side youngsters made a better showing than the score indicates. Against a team that had a fine record lats year, they were visibly nervous and that was their greatest handicap.

However, lack of nervousness would not have saved the Clan yesterday for Patterson introduced an exceptionally promising young player in Dorothy Ellis, a first-former just up from Assumption Street Public School this fall. She held the McGregor team to just two hits and helped her own cause with a home run.

Annie Simpson and Winnie Kirby formed a fine battery for Gordon McGregor but errors by their nervous team-mates offset their effort somewhat.

Ellis' home run was the only extra-base hit of the game.
