A SPOOKTACULAR COLLECTION

Moonlight Magic

In the crisp breeze of the moonlight,
a peculiar energy stirred.

A gentle whisper of laughter floated through the air as a little witch descended on her broomstick, casting a silvery glow that mingled with the moonbeams. She wove her spells under the watchful eye of the gleaming moon, heralding the magic of Halloween night.

Hi, I'm Lahni

A Surface Pattern Designer based in Australia and the face behind Softly Studio.
I believe beautiful design comes from the heart and should bring you joy.

Did you know . . .

I offer complimentary design changes for designs in my Spoonflower shop? That's right! If you'd like a different colour or scale, just let me know through my Spoonflower Request Form.

Lahni Barrass,
Softly Studio
