LAZORE

PRESS RELEASE

Debut Album Drop

2.26.2023

LAZORE's self-titled EP, "LAZORE," is set to take the alternative rock scene by storm with its powerful anthemic guitar riffs, grand drums, and electrifying vocals. The five-track EP is a true masterpiece, showcasing Lazore's musical prowess and combining nostalgic rock elements with modern alternative elements to create a unique sound that appeals to every type of rock fan.

With relatable lyrics and instrumentals that capture your emotions, "LAZORE" takes listeners on an emotional journey with each track. From the hard-hitting "Tell Me" to the introspective "Been Around," LAZORE's music is a perfect blend of energy and emotion that resonates with listeners on a deeper level.

The EP is a testament to LAZORE's creative vision and his commitment to being a true artist in today's world. The songs on the album are not only catchy and memorable but also thought-provoking and inspiring.

Whether you're a die-hard fan of alternative rock or just looking for some great new music to add to your playlist, "LAZORE" is an EP you won't want to miss.

"LAZORE" will be available on all digital streaming platforms on February 26th. Don't miss your chance to experience LAZORE's incredible musical talent and creative vision.
