LAZORE

BIO

The New York based singer/songwriter's soul searching brand of alternative rock is quickly earning him a legion of devoted fans. With intricately arranged guitar parts and genuinely powerful songwriting, it is the perfect introduction to an artist who will make an indelible impact on the music world. Yet his sound remains new and fresh - a brilliant reinvention for a new era of rock music.

THE DEBUT

LAZORE EP

Dropped 2.26.23

TRACKS

"Heyday"
"Underrated"
"Would You Believe Me"
"Tell Me"
"Been Around"

LAZORE's self-titled EP contains **five powerfully gripping tracks** that thoroughly prove this solo artist's debut is anything but typical. From the **inspired authenticity found at the core of each song,** to the fusion of melodic intensity & bold emotions running through the veins of LAZORE's entire set-list, he has set up shop to dominate the year with **music that's wildly relatable, yet completely unlike any other.**

> "Shoegaze, grunge, hard rock, and pop blend with a classic rock flair to create this living, breathing atmosphere."
>
> - Be About It Press

> "The LAZORE EP feels authentically human, revealing & honest, whilst providing the perfect escapism, embrace, and antidote to times of difficulty."
>
> - Stereo Stick Man

> "LAZORE sounds like he's come ready to play and fully equipped with a veteran's know-how. If this is truly where his journey as an artist begins, you definitely wouldn't know it by the way things sound."
