Recent Successes:

- **Doctors' personal presentations with Q and A have given us monthly doses of up-to-date information on treatments and ways to keep healthy**
- **November Conference of over 200 attendees provided the same**
- **PSA Screenings at no charge have served hundreds**
- **Outreach to Black, Hispanic, Haitian and Gay communities has increased**
- **MLK Jr. Award in Healthcare given to us**

- A grant has been received to grow the work being done in Newtown
- Mentoring from men to other men has increased substantially - a tremendous support tool for all of us
- The Prostate Passport A short tool for the newly or pre-diagnosed
- Direct channels have been created with many doctors to ease the path for appointments for new patients
- National support resources are connected with us to help men and care givers: AnCan, PCRI, ZERO, and many others

Goals for 2027 and beyond:

- Increase PSA Screenings To more sites, more communities - the key to AWARENESS
- Add Support Groups In communities throughout SW Florida
- Increase Awareness with strong marketing efforts - point out that Prostate Health and Breast Health have similar annual deaths and diagnoses - 12.5% of each male and female population
- Increase Connections with Medical Professionals - build trust, communication, on-site SPI information.
- The New Guy Manual will be a supplement to the Passport
- Outreach spread to more of SW Florida
