From The Leading Expert - Answers to our Leading Questions

DR. JOHN SYLVESTER

MONDAY JUNE 20 2pm to 3pm

light refreshments - Q and A with the Doctor * Join us IN PERSON or by ZOOM

GenesisCare

Dr. John E. Sylvester has performed over 6,000 prostate brachytherapy procedures.

- He has developed multiple technical improvements in the procedure, by improving visualization of the urethra during the procedure, optimally utilizing R.A.P.I.D. strand, and co-developed THINStrand.
- He has published numerous articles and medical textbook chapters on prostate brachytherapy and co-authored and edited The Prostate Cancer Treatment Book.
- He wrote the white paper on 4-D Calypso image guided IMRT and was first physician in USA to use SpaceOAR in prostate cancer IG-IMRT.
- Dr. Sylvester earned the "Innovation Research Award 2014" from the Manatee County Chamber of Commerce
- Seattle Prostate Institute – Medical Director; Clinical Research Director; Co-Founder
- American Cancer Society Fellowship
- Top Doctors – Radiation Oncology – Sarasota Magazine
