Hi Brendan and Andrew, I have a few questions

To: brendan.quigley@bakerbotts.com, andrew.lankler@bakerbotts.com

Hi Brendan and Andrew,

My name is Nick Bryant, and I'm a New York City-based journalist.

In 2019 and 2020, you represented David Rodgers, a pilot of Jeffrey Epstein, regarding a 16-year-old named Kristy Rodgers who Mr. Rodgers flew to New Mexico in 1997.

I don't believe she was ever heard from again.

I'd like to talk to your client about that missing girl.

I've sent an email to what I believe is his email address, but he hasn't responded.

It would be great if you passed my name and number to him.

Best,

Nick Bryant [redacted]
