ABOUT US

DPS, Inc is committed to providing disposable, reusable, and compostable food containers and packaging for the food service industry. We set ourselves apart in the industry through our professionalism, innovation, and reliability.

Why Choose Us:

Quality Assurance: We meticulously control product quality to ensure every batch meets industry standards and client expectations.

Customization: We can customize packaging in various sizes, shapes, and materials to perfectly match client needs.

Sustainable Development: We give priority to environmental conservation by offering biodegradable and eco-friendly packaging options, supporting clients on their journey toward sustainability.

Swift Delivery: With an efficient production and supply chain system, we pledge timely delivery of client orders to fulfill their urgent requirements.

Excellence in Service: Our team is consistently prepared to address client inquiries, offer expert advice, and ensure a delightful and seamless shopping experience.
