David, I have a question for you.

To: dmr42003@yahoo.com

Hi David,

My name is Nick Bryant, and I'm a New York City-based journalist.

I've noticed that a 16-year-old named Kristy Rodgers was on a plane you flew to New Mexico in 1997.

I don't believe she was ever heard from again.

I would like to talk to you about her.

Best,

Nick Bryant
