
NO EMPTY PLATES.
A local business can help fill more than a plate. It can bring relief, dignity and hope.
GEORGINA FOOD PANTRY
Nourishing Communities. Inspiring Change.

A NEIGHBOUR SHOULD NEVER HAVE TO SKIP A MEAL.

Imagine sitting down to dinner with your family, while a few streets away another family is wondering whether there will be enough food for everyone.

A mother quietly skips meals so her children can eat. A senior stands in the grocery store, choosing between nutritious food and paying the water bill. A hardworking family does everything it can, yet still finds the cupboards nearly empty.

These are the realities facing people right here in Georgina: our neighbours, friends, customers and the families who make this community home.

No family should have to choose between keeping the lights on and feeding their children. No senior should have to go without a meal to pay a bill. No child should wonder when they will eat again.

Behind every senior facing an empty fridge is a lifetime of memories, hard work and dignity — no one should have to spend their golden years worrying about where their next meal will come from.

THE NEED IS REAL.
THE IMPACT IS LOCAL.

In 2025, our community came together to fight hunger. Here's what your support made possible:

6,861

Household visits for food assistance

709

New clients in our community

1,924

Children's breakfast hampers

1,542

Seniors required assistance

$2,044,975

in food distributed to our community

Behind every number is a neighbour – a parent, a child, a senior – who deserves access to nutritious food and the opportunity to thrive.

At Georgina Food Pantry, we believe everyone deserves access to nutritious food and the opportunity to thrive. Through emergency food assistance, our community garden and programs that build food skills and resilience, we're working to create a stronger, more food-secure Georgina.
