NOTICE TO MEMBERS

The Australian Salaried Medical Officers Federation Queensland Branch ("ASMOF Queensland Branch") held an election for principal officers and state management committee members that correspond with principal officers and state management committee members of the Australian Salaried Medical Officers' Federation Queensland, Industrial Organisation of Employees ("ASMOFQ").

ASMOF Queensland Branch is the federal counterpart body of the ASMOFQ.

To avoid holding two elections for a corresponding principal officer and state management committee member (office), the ASMOFQ will make an application to the QIRC for exemption from election for principal officer and state management committee member (office).

The ASMOFQ is making this application so that the member who fills a principal office and state management committee member (office) position in the ASMOF Queensland Branch will also fill the corresponding principal office and state management committee member (office) in the ASMOFQ.

The members of the ASMOFQ will not be detrimentally affected as members will have already voted, or been given the opportunity to vote, in the ASMOF Queensland Branch election.

This notice will apply to any vacant principal office and state management committee member (office) in the ASMOFQ until the expiry of the term commencing in 2024, where that vacancy corresponds with a vacancy in a principal office and state management committee member (office) in ASMOF Queensland Branch and ASMOF Queensland Branch holds an election for that vacancy.

Dr Hau Tan
President ASMOFQ
