C C7
When your rooster crows at the break of dawn
F D
Look out your window and I'll be gone
C Em7 Am F
You're the reason I'm trav'lin' on
C G C Em7 Am F C G
Don't think twice, it's all right

C (start verse right away)

It ain't no use in turnin' on your light, babe
That light I never knowed
An' it ain't no use in turnin' on your light, babe
I'm on the dark side of the road
Still I wish there was somethin' you would do or say
To try and make me change my mind and stay
We never did too much talkin' anyway
So don't think twice, it's all right

It ain't no use in callin' out my name, gal
Like you never did before
It ain't no use in callin' out my name, gal
I can't hear you anymore
I'm a-thinkin' and a-wond'rin' all the way down the road
I once loved a woman, a child I'm told
I give her my heart but she wanted my soul
C G C Em7 Am F C (hold)
But don't think twice, it's all right

I'm walkin' down that long, lonesome road, babe
Where I'm bound, I can't tell
But goodbye's too good a word, gal
So I'll just say fare thee well
I ain't sayin' you treated me unkind
You could have done better but I don't mind
You just kinda wasted all my precious time
But don't think twice, it's all right
