LFWI Offices, Croston House, Leyland, PR26 6TU

£25.00 including all materials required

Join textile artist Murron Fraser for a print and stitch tote bag workshop where you will design and create your own textile tote, using a combination of simple printmaking, hand embroidery, and textile techniques. Drawing inspiration from the natural world, the workshop will explore different elements of nature, from plants and flowers to birds and insects, and their connections to folklore and symbolism. Have fun creating your own design, experimenting with colour, pattern, and stitch to create a unique, functional piece that reflects both creativity and storytelling.

This workshop will be available to book on the LFWI website from Monday 2nd November. Please note that Murron is holding two separate classes on the same day. You can book just one, or you may choose to book them both and enjoy a full day of creativity.
