LFWI Offices, Croston House, Leyland, PR26 6TU

£25.00 including all materials required

Unleash your creativity and design a personalised textile wreath inspired by the natural world. Mix thoughtfully chosen fabrics and repurposed materials to craft a piece that holds personal significance and beautifully captures the changing seasons. Guided by textile artist Murron Fraser, this workshop will teach you simple wrapping techniques and 3D textiles, fabric manipulation and embellishment skills to bring your wreath to life. By the end of the class, you will have a finished wreath to display at home or gift to a loved one.

This workshop will be available to book on the LFWI website from Monday 2nd November. Please note that Murron is holding two separate classes on the same day. You can book just one, or you may choose to book them both and enjoy a full day of creativity.
