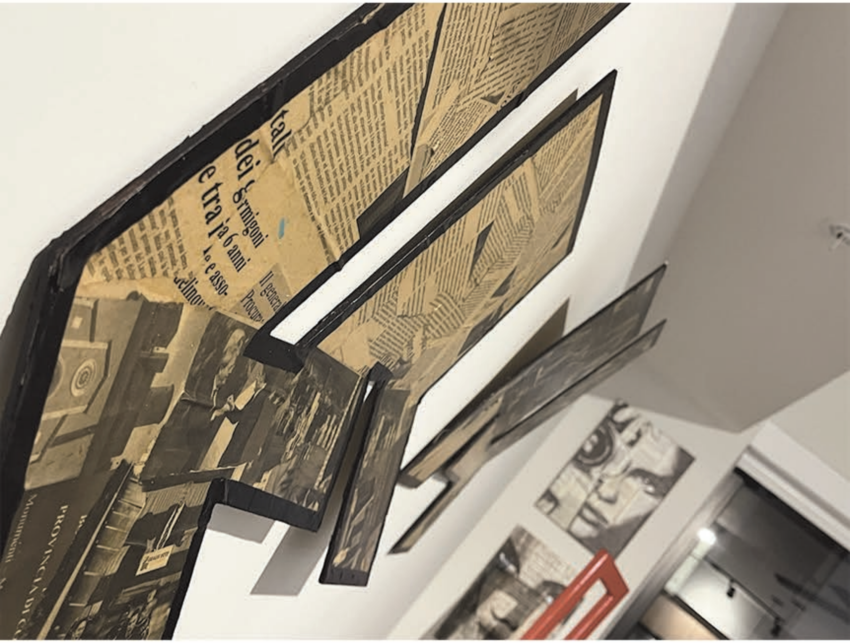
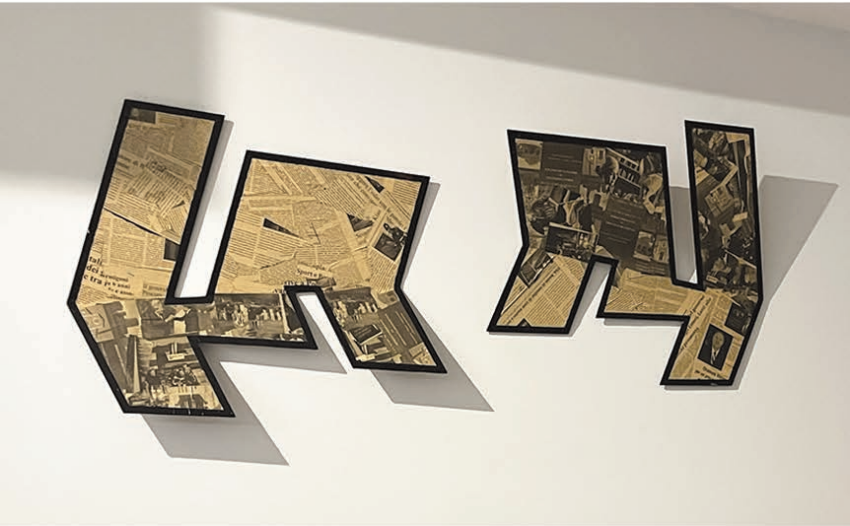
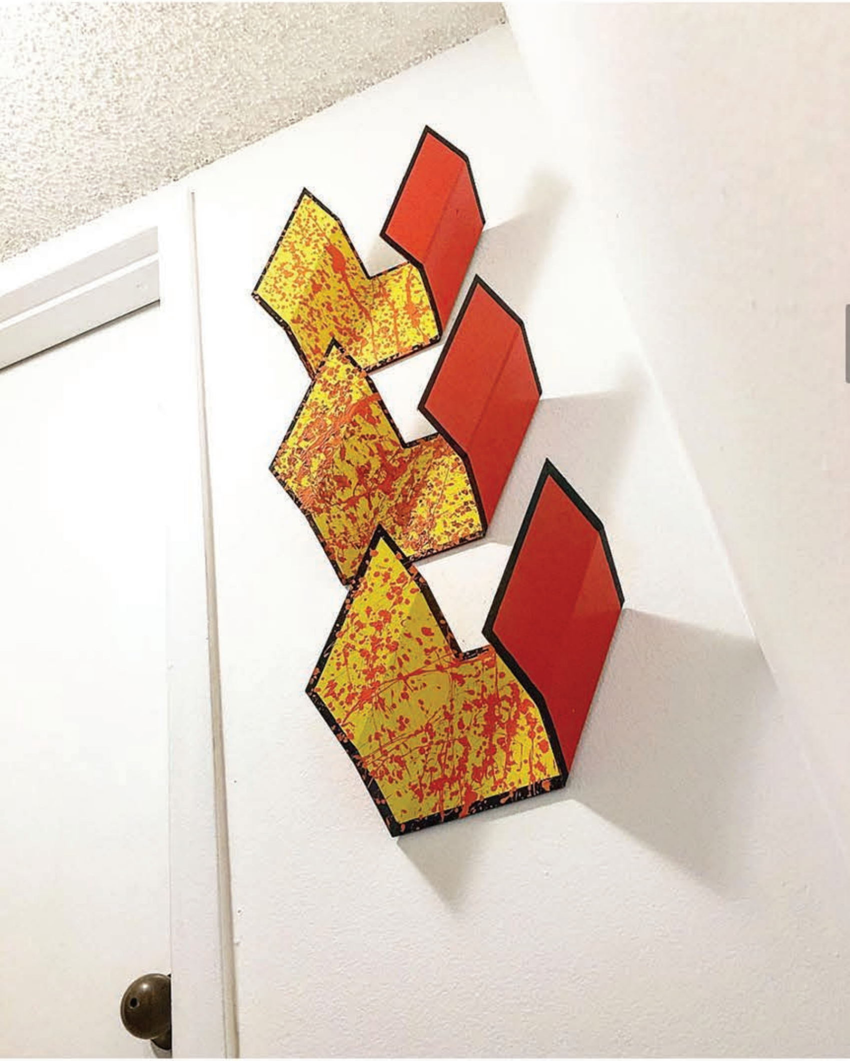
Time Machine



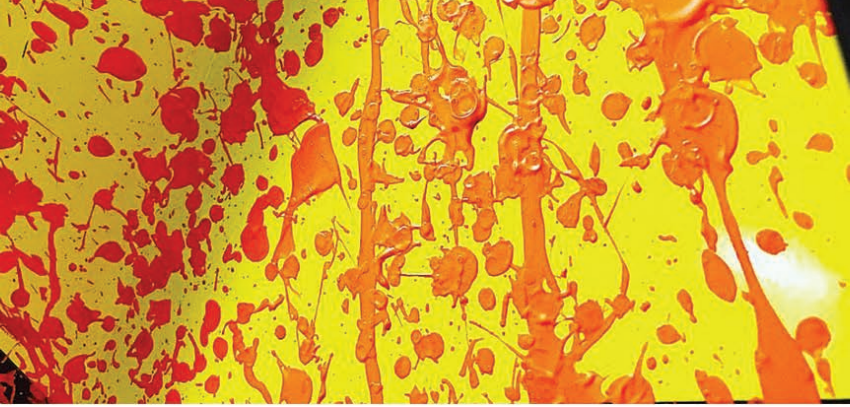
Made of aluminum and covered
all around with newspaper.



The left side represents the past,
the right side the future,
and standing in the middle
reminds you that you are here,
in the present moment.



Cause & Effect

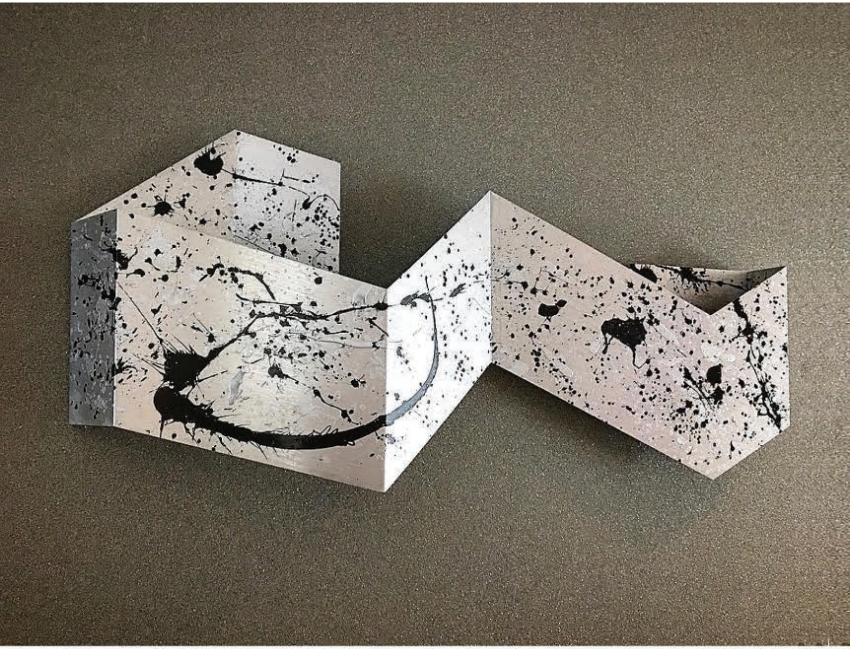


Made of aluminum, cut with a router
and finished with acrylic paint.

Each piece is installed using a magnet,

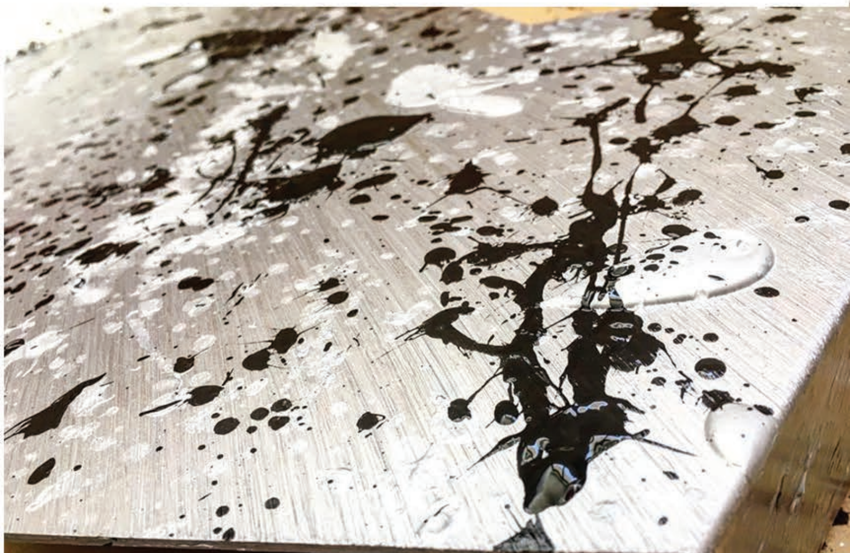
allowing you to interact with it.

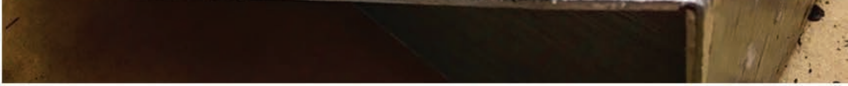
Power



Made of aluminum, cut with a router,

and painted with acrylic paint.





Maintaining strength in every situation
and empowers you to overcome life's challenges.

Growing Up

The soul's journey begins the moment
we loosen the bonds of the past and
step into the life we were born to create.
