New teams need to have new players have 4 nights of play in by the 1st of the year to receive their $50.00 bonus.

The 4 main players on a team will be sanctioned at a cost of $10.00 a player.

Underage players are welcome, but mess up and the whole team is out for the season, and anyone fighting will be out for the season. Only smoke when you are not playing a game.

If a thrown dart sticks but does not register a score, a member of the opposing team pushes that dart to register the score immediately following the thrown dart

Roving subs are allowed, teams are encouraged to find subs with similar handicaps. Players will only have 1 handicap no matter how many teams they sub for, players will be listed with the first team they played with, so always use the same name. The 4 main players on a team can't sub on any other team.

Tournaments will be round robin. Must have 2 nights of play for mid-season & 4 nights of play for year-end tournament.
If pulling in a new player for tournament or player without enough nights – Vote on it – if approved player will go in with highest rating in the East league. If they have enough nights from another league they can play with that rating – 2 week pre-registration for tournaments – all teams have to pay the $20.00 entry fee whether they play or not in tournaments, this will come out of the year end paybacks.
