WHAT YOUR CONTRIBUTION CAN HELP SUPPORT

CELEBRATE

Centennial traditions, family activities, entertainment, special programs and the Finale Weekend.

MARK THE MILESTONE

The Centennial website, banners, displays, signage and commemorative materials that help make our 100th year visible throughout the community.

PRESERVE THE STORY

Historical displays, the Centennial Time Capsule Ceremony, and the gathering and organization of photographs, stories and records from Paulinskill Lake's first 100 years.

A NEW EFFORT TO PRESERVE OUR HISTORY

The Centennial has led to the formation of a new Historical Committee focused on gathering and organizing photographs, stories and records from Paulinskill Lake's first 100 years. This work is intended to continue beyond 2027 as an ongoing member-led effort.

Planned Centennial events and activities remain subject to final approval, required permits, insurance coverage, site requirements and feasibility. Centennial events are for PLA members and their invited guests and are not open to the general public.
