Dear Friends and Fellow Crafters:

We as crafters are always changing what we make, or adding new items to sell. Remember to write down what you will be selling on your application. This is important so that we do not put you by someone making the same items.

The hall has changed their tables from the rectangular tables to the round ones. Each year we have fewer the tables to rent out. If you want a table, please call us, the fee will still be $5 until we reach the amount available.

Lighting is always a challenge, so think of your setup and plan on bringing lights if needed. You will need to bring extension cords to connect to the ones that we will lay out. Please mark it on your application if you will be using electricity. We have a limited area where we can lay cords down, and once these spots are taken we can not provide electricity.

Our family would like to thank you for your loyal support and continued hard work to help make the Central Coast Craft Fair a success. Having your talent and skill displayed at the show has helped to keep the show fresh and fun for visitors. We work hard to find new crafters locally and farther afield, but we depend on our returning vendors to supply the quality and originality our customers have come to expect. Each year at the show new crafters request to be put on our vendor list because of you, the vendors. It is a fun show and it shows as you sell your items.

We sincerely hope that you will be able to join us. If you have any questions, please call us or e-mail us.

Julie Cunningham and Mary Harder
