TOLOMATO COMMUNITY DEVELOPMENT DISTRICT

The schedule below if for general reference purposes only.

The **Total Assessment** is the amount that is shown on the County Property Tax bill received or to be received **November, 2024**

Debt represents the amount of the annual debt payment that was billed on the November 2024 County property tax bill.
This goes directly to a Trustee to pay down the bonds used to construct roads and other District infrastructure.

O&M is for the day to day Operations & Maintenance of the CDD including landscape maintenance and amenities operations.

Lots platted after 1/1/24 are not yet on the County Property Tax Rolls and are not shown here.

The **Approximate Debt Balance** represents the approximate amount remaining on the debt portion of the CDD assessment.
Due to the use of general formulas covering thousands of parcels, this is not intended to be an actual debt balance for purposes of paying off or paying down the debt portion of the CDD assessment, or for any legal purpose. If you require an exact number for purposes of paying off the debt or for proration purposes, please request an estoppel letter from Joy@nocatee.com.
There is a $125 fee for each estoppel letter. The Approximate Debt Balance assumes the November 2024 property tax bill is paid.

This detailed schedule provides full information for the Nocatee communities in **St Johns County**.
