### OUR SPECIAL GUESTS

Hailed as a pleasure to read and a delight to view, Ron Gard and Christie Gard's latest book, **Whose Dog Are You?** is a lavishly photographed volume showcasing stunning collections of Victorian dog collars, canes and related canine collectibles. A lover of decoys, American folk art, natural history and all things dog related, Ron has served on multiple museum boards and is a noted conservationist. His daughter and co-author, Christie, has a background in photography and exhibit design and provided much of the book's historical research.
