High Adventure

Year over year we are excited to be able to send Scouts on high adventure trips – Sea Base, Northern Tier and Philmont are the Scouts' favorite.

Community Service

Troop 874 is also involved in many community service projects. We support Glen Mar United Methodist Church, and assist the Church each year at Christmas with presents for needy families along with participating in Scouting for Food every year.

We camp most months using local BSA camps and State Parks in Maryland, Virginia, West Virginia, Pennsylvania, and the Chesapeake Bay Eastern Shore. In short, the Scouting program in Troop 874 is as good as the Scouts make it!

The program in Troop 874 is supported by a dedicated group of trained adult leaders (Assistant Scoutmasters and coaches) and dedicated parents serving as members of the Troop Committee.

Troop 874

Meetings every Thursdays, 7:30pm - 9:00 pm
Glen Mar United Methodist Church
4701 New Cut Rd. Ellicott City, MD

Troop 874 has a long and proud tradition dating back to 1962. We have a full, year-round program that includes one weekend a month during the school year, a week long summer camp and typically several high-adventure trips each summer.

Charter Organization

Ellicott City Volunteer Fire Department

Having Fun

The most important aspect of Scouting is to ensure Scouts are having fun. We are here to help them through this journey.

Troop Contacts

Scoutmaster - Chad Scott
scoutmaster.Troop874@gmail.com

Committee Chair - Brett Moseley
comchair.Troop874@gmail.com

We are a Scout-run Troop with many opportunities for boys to develop leadership skills, advance in rank and (most importantly) have fun! Our Scouts plan monthly outings that include camping, skiing, rafting, cycling, caving and more!

Summer Months

Informal meetings are held throughout summer to allow Scouts the opportunity to still progress. Outside of summer camp we also do not camp during this time as families typically take their own adventures!

Our Scout Programs

Pioneer Program

Boys in their first year of Scouting America. Emphasis is placed on Scouting & basic outdoor skills to aid in advancement to First Class Rank.

Ranger Program

Boys ages 12-14.

This group is the main body of the Troop, and Scouts participate in a wide range of fun activities, merit badges and work on advancement, typically culminating in earning the rank of Star or Life.

Venture Program

Boys aged 14-17

Older scouts interested in high adventure activities such as backpacking, cycling, white water rafting and much more. Scouts work on earning the rank of Life or Eagle Scout.
