STEP TWO

- Use your large brush to mix a drop of brown with your orange; Use mix to paint ears, stripe and tail
- Add another drop of brown to your mix and paint body and head
- Add more brown and paint shading on head, body and tail

STEP THREE

- Use your big brush and white to paint face, chest, inside ear, and tail tip
- Create trees in the background using the width of the brush; add some small branches to each tree
- Add a little water to your brush and highlight the fox head and body
- Mix brown and black for the legs, ear tips, nose, eyes, and top stripe

STEP FOUR

- Mix green, blue and white; Use mix to paint scarf
- Add a little more blue and green; Use this mix for scarf tails, fringe and middle stripe

STEP FIVE

- Use your small brush and white to create details on the scarf and inside the stripes. Use your imagination- create these patterns however you like.
- Add a tiny white dot to each eye for a perfect shine
