

April 22, 2024

Good evening to all of our Okie Scramble couples. I have been thinking about our upcoming event and am sharing these thoughts with all the teams.

I will be doing the pairings soon. I would be happy to honor your pairings requests wherever I can. I want this tournament will be one of the most enjoyable events in which you participate. Just email me your requests, and I will do what I can. Keep in mind, you must be in the same flight to be paired together.

Since Santa Ana Golf Club has three nines, the rotation will be a little tricky. Here is how it will work, in order to have all three flights' teams experience all three of their nines:

The Open Flight will play TAMAYA/CHEENA on Monday and CHEENA/STAR on Tuesday and Wednesday.

Senior A Flight will play CHEENA/STAR on Monday and STAR/TAMAYA on Tuesday and Wednesday.

Senior B Flight will play STAR/TAMAYA on Monday and TAMAYA/CHEENA on Tuesday and Wednesday.

For example, the Open Flight on Monday will be shot-gunned on Tamaya. When they finish # 9, they will move to # 1 on Cheena and play all nine of its holes. They will then return to # 1 on Tamaya and complete their round. The other flights will use this same process. The Santa Ana score card is posted on the Okie Scramble website for everyone to study. I realize this is confusing, but we will get through it.

All future updates will be posted on our Facebook Event page, and all tournament documents will be posted on the website. Please contact me if you have questions
