

Consent to Treatment Form

TO THE PATIENT: You have the right, as a patient, to be informed about your condition and the recommended surgical, medical or diagnostic procedure to be used so that you may make the decision whether or not to undergo any suggested treatment or procedure after knowing the risks and hazards involved.

You are financially responsible for anything insurance does not cover. All copays are due and payable at each visit. The amount your insurance will allow and pay for and your financial responsibility is determined by your insurance company and the policy you have chosen. Your claim will be processed according to the benefits of your insurance plan. The deductible, co-insurance and co-pay are your financial responsibility. It is your responsibility to understand your insurance plan.

\$5 Fee for Co-pays not paid at the time of service.

\$50 No Show Fee for any Missed Appointment that was not cancelled or rescheduled 24 hours prior to the appointment. Please be considerate and call at least 24 hours before your appointment if you cannot come in.

\$35 NSF charge for any returned check from the bank.

If you are a private patient without insurance, all charges are due at the time of the visit. We do not send a statement to private pay patients.

At this point in your care, no specific treatment plan has been recommended. This consent form is simply an effort to obtain your permission to perform the evaluation necessary to identify the appropriate treatment and/or procedure for any identified condition(s). This consent provides us with your permission to perform reasonable and necessary medical examinations, testing and treatment.

By signing below, you are indicating that (1) you intend that this consent is continuing in nature even after a specific diagnosis has been made and treatment recommended; and (2) you consent to treatment at this office or any other satellite office under common ownership.

The consent will remain fully effective until it is revoked in writing. You have the right at any time to discontinue services. You have the right to discuss the treatment plan with your physician about the purpose, potential risks and benefits of any test ordered for you. If you have any concerns regarding any test or treatment recommend by your health care provider, we encourage you to ask questions.

I voluntarily request a physician, and/or mid level provider (Nurse Practitioner, Physician Assistant, or Clinical Nurse Specialist), and other health care providers or the designees as deemed necessary, to perform reasonable and necessary medical examination, testing and treatment for the condition which has brought me to seek care at this practice.

I understand that if additional testing, invasive or interventional procedures are recommended, I will be asked to read and sign additional consent forms prior to the test(s) or procedure(s). I certify that I have read and fully understand the above statements and consent fully and voluntarily to its contents.
