Bombay Express : Bollywood musical dance spectacular

Moksh Community Arts and Naach Houston return to Miller Outdoor Theatre for their 9th production this fall on Saturday, November 7th at 7:30 PM at 6000 Hermann Park Dr, Houston.

Free tickets are available at www.milleroutdoortheatre.com. The show is open to all ages and parking is free.

Founded in 2016, Moksh Community Arts is celebrating a decade of nurturing local talent in dance, theatre, and music, while providing a platform that celebrates multicultural creative collaboration.

This year's new production, "Bombay Express," is an adventurous train journey across the four regions of India. The journey begins in Mumbai, travels north to Punjab, moves to Gujarat – the land of Raas Garba, warms up in Chennai in the south, and returns full circle to Mumbai.

The production is a 90-minute, non-stop multimedia experience featuring a multigenerational cast of 45 performers.

Sponsored in part by the City of Houston through the Miller Theatre Advisory Board, the show is an eclectic blend of sound, light, dance, costumes, and innovative choreography with visually stunning backgrounds that transport performers and audience into another realm.

The performance is conceived, choreographed and directed by Houston's Ace Choreographer, Mahesh Mahbubani – Artistic Director of Naach Houston. This is his 19th production as Director of Bollywood performances at Miller Outdoor Theatre.
