RISE & INSPIRE FOUNDATION®
— STRIVE TO INSPIRE —

Rise & Give™

2026 – 2027 GIVING CAMPAIGN

Health. Education. Opportunity.

Together, We Can Make a Lasting Difference.

Dear Corporate Partner,

At **Rise & Inspire Foundation**, we believe every child deserves the **healthiest start**, the best education, and the brightest future. Through our **2026–2027 Rise & Give™** campaign, we are uniting our community to support two life-changing initiatives:

Rise for *Two*™

Supporting Premature Babies, NICU Families and Healthcare Heroes

We provide critical support for premature babies and their families by helping to cover hospital and doctor visit costs, providing medical equipment, offering food assistance after babies return home, and easing overall family expenses. We also support NICU nurses and staff who make a difference every day.

Rise & Read™

Building Stronger Minds, Brighter Futures

We expand access to books and literacy resources through school book vending machines, provide tutoring, and support teachers in our schools and communities.

Your Corporate Sponsorship Creates Real Impact

By partnering with Rise & Inspire Foundation, your company will help:

- ✓ **Improve** the health and well-being of premature babies and their families.
- ✓ **Invest in education** and literacy for our children.
- ✓ **Strengthen** our **communities** through health, education, and opportunity.

Together, we can build a healthier, more educated, and more equitable future for all children.

Join us in the Rise & Give™ campaign and be a champion for change!
