WILD MOMENTS
FLORAL DESIGN

HELLO

Founded by Hollie, Wild Moments began as a small creative dream — a way to turn years of growing flowers into meaningful, design-led floral work.

Today, as a sister-run studio, we bring two perspectives and one shared vision to every wedding and event.
Together, we pour our detail-driven approach, creative enthusiasm and calm, organised energy into everything we create.

Our work centres around abundant, modern florals crafted with intention, and tablescapes that feel personal, cohesive and beautifully styled.

We blend experience with a relaxed, friendly process — making the journey to your wedding or event flowers feel enjoyable, collaborative and clear from start to finish.

We can’t wait to work with you!

With love, Hollie & Sophie x

OUR STYLE

At Wild Moments Floral Design, we create weddings that feel sophisticated, design-driven and deeply considered. Our work is rooted in a clear, intentional approach — every installation, bouquet and tablescape is crafted with purpose, using layered textures, curated colour palettes and natural movement to bring depth and character to your day.

We believe floral design should feel modern, expressive and thoughtfully composed. Whether it's a sweeping ceremony structure or a simple, elegant cluster of stems, we focus on shape, balance and flow, allowing each flower to contribute to the overall story rather than compete for attention.

Our style blends refinement with a sense of ease. We manage every detail seamlessly — from concept to creation — so you can relax and enjoy your day knowing your florals will feel elevated, cohesive and unforgettable. The result is work that feels abundant yet clean, expressive yet grounded, and always true to the atmosphere you want to create.

We design with intention, clarity and care — florals that feel personal, modern and full of character.

“FROM THE START, HOLLIE WAS PROFESSIONAL AND IMMEDIATELY CAPTURED THE COLOUR PALETTE, FLORALS AND ACCESSORIES THAT WE WANTED. SHE WAS INCREDIBLY UNDERSTANDING AND ACCOMODATING WHEN THINGS NEEDED TO BE ADJUSTED LAST MINUTE.
THE FLOWERS WERE THE MOST BEAUTIFUL PART OF THE DAY, ESPECIALLY THE FLOWER ARCH, TABLE SETTINGS AND MY BRIDAL BOUQUET.”
