- "FRIENDS ~ SKY HIGH OR PLACES LOW" - Lyrics

(Intro)
Some friends are lifelong, & full of grit
Some friends light my fire, & our souls, just fit

(Verse 1)
Some friends are a blessing, in every stage of life
Some are so perfect, they become a husband or wife
Some would give their shirt, right off their back
Some share all they have, despite their lack

(Pre-Chorus)
Some friends are pure light, like a breath of fresh air
Some are so beautiful, you can't help but stare

(Chorus)
I appreciate my friends, throughout the years
We've shared many laughs & heartful tears
They are my friends, through thick & thin
Celebrating good times, & earthly sins
And if I needed help ... wherever I am or go
They'd come a runnin' ... Ride or Die ... Sky High or Places Low

(Verse 2)
Some friends have quirks & yet, I'm still fond
Some are crazy, & need help to post a bond
Some need attention, with thinking all out of whack
Some keep you up all night, & drink every six pack

(Chorus)
I appreciate my friends, throughout the years
We've shared many laughs & heartful tears
They are my friends, through thick & thin
Celebrating good times, & earthly sins
And if I needed help ... wherever I am or go
They'd come a runnin' ... Ride or Die ... Sky High or Places Low

(Bridge)
Some friends last a lifetime, some only a season
Some help me to reset, to think & reason

(Verse 3)
Some fill the room with joy, loud & hearty
Some are so funny, the life of every party
Some live close, in the next town or far away
Some have a presence, that makes everything okay
Some friends have a way that makes my life whole
Life is much richer, when friends share lives, full of soul

(Outro)
Most friends are timeless, past, present or times ahead
With many friends, I've laughed, cried & even bled
If I ever needed anything ... they'd come, this I know
One call away ... Ride or Die ... Friends ~ Sky High or Places Low
