PRESIDENT'S MESSAGE

Welcome to the 2027 PPBA Winter Show!

A MESSAGE FROM THE PPBA PRESIDENT

On behalf of the Pacific Poultry Breeders Association, I'd like to personally welcome everyone to our 2027 Winter Show here in Lodi, California!

This year marks a very special milestone for PPBA as we celebrate 80 years of bringing poultry breeders, exhibitors, and enthusiasts together. Since 1946, our association has remained dedicated to promoting the breeding, exhibition, and preservation of quality poultry. We are proud of our history and even more excited about what the future holds.

We are especially honored to be hosting the 2026 American Bantam Association National Meet at this year's show. This is a tremendous opportunity for PPBA, and we look forward to welcoming exhibitors from across the country for what we hope will be one of the premier poultry events on the West Coast.

One of the things that makes our show special is the level of competition and the quality of judging. We have once again assembled an outstanding panel of judges from across the United States, and we appreciate their willingness to travel to California and share their knowledge and expertise with our exhibitors.

Beyond the competition, our show is about much more than ribbons and awards. It's about friendships, sharing knowledge, introducing the next generation to our hobby, and enjoying a weekend surrounded by people who share the same passion. We encourage everyone to take advantage of the youth activities, visit our vendors, reconnect with old friends, and make some new ones along the way.

Be sure to join us for our popular Saturday evening banquet at Jackson Hall. It's always a great opportunity to relax, enjoy a good meal, and spend time together away from the show cages.

I would also like to extend a special thank-you to our generous show sponsors, Stromberg's, Nutrena, and PremoGuard. Their continued support plays an important role in helping us put on an event of this caliber, and I encourage everyone to support the businesses that support our association.

Finally, I want to recognize our PPBA Board of Directors, show committees, volunteers, and everyone who works tirelessly behind the scenes. Putting together a show of this size takes countless hours of planning, preparation, and hard work. Your dedication does not go unnoticed, and I sincerely appreciate everything you do.

As we celebrate 80 years of PPBA, I hope we can all take a moment to appreciate the friendships, traditions, and memories that have made this association what it is today, More importantly, let's continue working together to ensure that future generations have the same opportunities to enjoy this wonderful hobby.

Thank you for being part of the PPBA family. Best of luck to all our exhibitors, and let's have a fantastic show!
