Welcome 2027 Winter Symposium Presenter,

Congratulations on being selected to present at the 52nd Annual Winter Symposium on Addictive Disorders, Behavioral Health, and Mental Health in 2027. You are among a highly esteemed and selective group of presenters that have helped build the foundation of our longstanding event. Your engagement in the Annual Winter Symposium is an asset to our organization, our attendees, and our mission to provide high-quality content year after year.

The Winter Symposium has been providing the addiction recovery and mental health care community with this exceptional educational opportunity since 1974. Thank you for your personal contribution to this legacy and for your willingness to share your expertise, perspectives, and your experience with hundreds of treatment providers. Thank you also for helping to fortify our culture of collaboration, support, professionalism, and inclusion. These values strengthen our community!

We are looking forward to working with you this year and can’t wait to see you in January!

Sincerely,

Sarah Forrest, MS, MLA
