DISCOVER TÜRKIYE™ (EAST) — PARADISE LOST PARADISE RESTORED™ | JUNE 20 - 30 2027

Description of Tour: God's eternal purpose takes on new meaning. Travel through 1656 years from Adam to Noah's flood, and visit Mount Ararat, the final resting place of the Ark! From patriarchs to first century Christianity. From Eden and Ararat to Haran, the Euphrates, Tigris, and more...

The itinerary does NOT show any overnight flights where some passengers may be required to leave earlier to arrive the next day. The arrival day is the check-in date

DATE	REGION	DESCRIPTION
Day 1 June 20	ISTANBUL	Arrival and Check-in **1 NIGHT:** ISTANBUL
Day 2	EASTERN ASIA MINOR ARARAT | LAKE VAN | SOUTHERN TAURUS MOUNTAINS	**1st GUIDED TOUR**. In the morning, the group flies east to Iğdır, entering the region traditionally identified in the Book of Genesis as the Mountains of Ararat, where Noah's Ark is believed to have come to rest after the Flood. The day focuses strongly on the Noah's Ark tradition, with panoramic views of Mount Ararat and its surrounding foothills. Travel continues through the Doğubayazıt area with a visit to İshak Pasha Palace, reflecting the strategic and historical importance of this ancient frontier. En route to Lake Van, a stop is made at Muradiye Waterfall, reflecting the well watered areas of the district of Eden, but also the headwaters of the 4 rivers described in Genesis. **2 NIGHTS:** LAKE VAN
Day 3		**2nd GUIDED TOUR.** This day is devoted to Lake Van and its immediate surroundings. Gain insight into early post-flood civilizations of Eastern Anatolia. In the afternoon, travel continues toward the Çatak region, located in the southern basin of Lake Van—an area long discussed by scholars in connection with Upper Mesopotamia and possible Eden traditions. The visit to Kani Sipi (Kanispi) Waterfall highlights the abundance of water flowing from the southern highlands into the Lake Van basin. This landscape—rich in rivers, fertile valleys, and mountain sources—provides a meaningful setting for reflection on Biblical descriptions of Eden as a life-giving region nourished by flowing waters (Genesis 2).
Day 4		**3rd GUIDED TOUR.** Departing Lake Van, the day begins with a boat excursion on Lake Van to Akdamar Island and a visit to a place that will deliver incredible Old Testament connections. Travel then continues through Tatvan to the dramatic Nemrut Crater, a volcanic landscape that invites reflection on the shaping of the earth after the Flood. Arrival in Diyarbakır introduces Upper Mesopotamia, with views of the Diyarbakır City Walls and the Tigris River, both closely tied to the Biblical world. Nemrut is connected to the Bible character Nimrod, but its physical landscape helps us imagine how Eden could have been fortified as described in the Bible, with only eastern access. **1 NIGHT:** DIYARBAKIR
Day 5	EASTERN ASIA MINOR EUPHRATES | TIGRIS HARAN | CARCHEMISH	**4th GUIDED TOUR.** The tour now transitions from the era from Adam and Noah to the age of the Patriarchs. Visits include Balıklıgöl (Pool of Abraham), laying the foundation for the covenant story central to the Old Testament. **1 NIGHT**: ŞANLIURFA
Day 6		**5th GUIDED TOUR.** This is a core Abrahamic day. Time is spent in Harran, the homeland of Abraham's family. The route then follows the Euphrates River toward Carchemish, emphasizing the river as a Biblical boundary and covenant landmark. **1 NIGHT**: GAZIANTEP
Day 7	SOUTH EASTERN ASIA MINOR | ANTIOCH SELEUCIA | TARSUS MEDITERRANEAN SEA SOUTH EASTERN ASIA MINOR | ANTIOCH SELEUCIA | TARSUS MEDITERRANEAN SEA	**6th GUIDED TOUR.** Arrival in Antakya (Ancient Antioch) introduces one of the great crossroads of the ancient eastern world. The remains of Antioch will bring first century Christianity to life. Our tour now transitions to the Christian Greek scriptures, and the life of the Apostle Paul! **1 NIGHT**: ANTAKYA
Day 8		**7th GUIDED TOUR.** The Mediterranean Sea of the ancient world is highlighted with visits to Samandağ and Seleucia Pieria, the ancient harbor city of Antioch. The journey then continues eastward to Adana, linking the Levantine coast with the Cilician plain. **1 NIGHT**: ADANA
Day 9		**8th GUIDED TOUR**. The focus turns to the Cilicia region with time in Tarsus, including visits to St. Paul's Well and remains of the ancient Roman road. **2 NIGHTS:** MERSIN
Day 10		DAY OFF

GROUP TOUR QUALIFICATIONS AND PRICING

The tour price is based on a minimum number of customers. If the minimum number of customers has NOT been met, DBL / IHT will explore the possibility for the incoming travel operator to provide an increased price so the smaller group can still travel. If all customers accept the increased price, the tour can proceed. If not, the tour will be cancelled, and a full refund will be issued.

The customer further understands travel insurance coverage may become null and void when travelling with a known serious medical condition.

DBL, IHT, and the income travel agency are NOT liable where a customer has missed the cruise port departure time. The customer understands they must make their own travel arrangements, at their own expense, to meet the group at the next port.

MEDICAL EMERGENCIES DURING THE TOUR

The customer takes full responsibility for their medical care. The customer understands and accepts the local tour operator, guide, DBL, and IHT, cannot manage their medical emergency. The customer should ensure emergency contacts, and travel insurance policies are readily available. While practical support may be extended to the customer as a good-will courtesy, this cannot be an expectation.

Customers shall be responsible for payment of all processing fees and currency exchanges, and payment shall be made to IHT.
