School Is In Session! | 2025 | www.mpchristianschool.org

The First Opening of Our Christian School in Haiti

We are grateful to share the joyful news of the opening of our Christian school in Haiti. The school officially opened its doors in October, marking an important milestone for our ministry, our children, and the surrounding community.

"Train up a child in the way he should go, and when he is old he will not depart from it." Proverbs 22:6

A Humble Beginning with Great Purpose

Our journey began with Pre-K students, laying a strong foundation rooted in Christian values, love, discipline, and academic growth. Opening a school deep outside the city came with many challenges preparation, construction, organization, and prayer but through faith and perseverance, God made a way.

Celebrating Thanksgiving Together

In November, we introduced a Thanksgiving celebration for our students and their parents. On the last Friday of the month, families gathered at the school to give thanks to God through songs, sharing, and fellowship. For many, this was their first time celebrating Thanksgiving in a school setting, and it brought great joy and unity.

Honoring Haitian Agricultural Heritage

Haiti traditionally celebrates an Agriculture Festival on November 25, giving thanks for the land and its harvest. In honor of this important tradition, our school has decided to establish this celebration as a yearly event. Each year, students will learn about gratitude, agriculture, and God's provision, connecting faith, culture, and education.

Jesus Is The Reason For The Season!

Serving Beyond the Classroom

In addition to education, the school has become a place of hope for the community. By God's grace, we were able to provide access to water for the people living nearby. This blessing has improved daily life and strengthened our relationship with families in the area, showing that the school is not only a place of learning, but also a source of service and compassion.

Looking Ahead

This first season has shown us that the work is great, but the purpose is even greater. To our parents, thank you for trusting us with your children and partnering with us in their spiritual and academic growth. To our supporters and donors, your prayers and generosity have made it possible for this school to open, for children to learn, and for clean water to flow in the community. To our church partners, thank you for standing with us in faith, encouragement, and mission.

Together, we are planting seeds that will bear fruit for generations. We look ahead with hope as we continue to build, serve, and grow academically, spiritually, and as a Christ-centered community.

WAYS TO SUPPORT

Let your light shine before others, that they may see your good deeds and glorify your Father in heaven."
Matthew 5:16

Every day, children come to our Christian school seeking safety, love, and hope. We are asking for your support to help us install solar power for our school building, equip our school with a fully functional kitchen that includes a large refrigerator, freezer, and stove, and financially support our school workers who faithfully serve to keep this ministry alive.

Your donation helps provide light for learning, warm meals for growing children, and stability for those who serve them. Together, we can be the hands and feet of Christ.

CALL FOR DONORS

Here is one of the many beautiful faces that has begun their journey with us at MPCS. This little boy is joyful, inquisitive, and full of potential. When you support MPCS, you're not just giving you're helping open doors that were once out of reach. Your generosity allows children like him to experience the love of Christ in a safe, nurturing environment while gaining access to resources, education, and opportunities they never had before. Every contribution helps shape their future, strengthens their faith, and surrounds them with the care and support they deserve.
