Celebrating Year One!

"What is impossible with man is possible with God"

When we opened our doors, we had only 6 students. There were many moments of uncertainty, and I honestly wasn't sure how the year would turn out. But through every question and every challenge, I chose to put my trust in God, believing that He had a purpose for this school. What an incredible journey it has been! By the end of the school year, we had grown to about 30 students. Each child was given the opportunity to begin learning, writing, growing in confidence, and developing important skills that will serve them for years to come. Most importantly, our students had the opportunity to learn the Word of God.

Watching them grow not only academically but also spiritually has been one of the greatest blessings of this first year. We have seen young minds eager to learn, hearts open to God's love, and families encouraged by the work being done.

"But thanks be to God, who gives us the victory through our Lord Jesus Christ."
1 Corinthians 15:57

Thank you for your continued support!

Thank you to everyone who donated to our students! They have had so much fun using the gifts you provided. The Play-Doh has been a huge blessing and has sparked so much creativity in the classroom. The small toys have made recess even more exciting, and the crayons have filled our classrooms with colorful artwork and happy smiles. Your generosity has brought so much joy to our students, and we are truly thankful for your kindness and support!

God's call comes before your qualifications

Looking Ahead

Our focus this year is to continue expanding opportunities for our students. We are praying for God to open doors for a partnership that will provide nutritious meals for our children and help meet an important need in their daily lives. We are also working toward providing reliable electricity through a solar power system for our school.

We invite you to partner with us through prayer, financial support, and donations. We are also accepting items such as student tablets, sewing machines, and piano keyboards to help provide additional learning opportunities for our students. Every gift helps us continue building a stronger future and advancing the mission God has placed before us.

WAYS TO SUPPORT

Let your light shine before others, that they may see your good deeds and glorify your Father in heaven."
Matthew 5:16

Every day, children come to our Christian school seeking safety, love, and hope. We are asking for your support

CALL FOR DONORS

Your donation helps provide light for learning, warm meals for growing children, and stability for those who serve them. Together, we can be the hands and feet of Christ.

AI generated photo to show you the vision for our school

We are applying for food support for our students and ask for your prayers as decisions are made. We're also working to install a solar system so the school can have electricity next year. As we prepare to grow our staff and expand our work, we face important financial needs. We trust God is making a way and welcome your prayers and support.
