March 2025

"Bear one another's burdens, and so fulfill the law of Christ."

Galatians 6:2

The Parable of the Good Samaritan

One of the parable Jesus told is very close to my heart because the story teaches us that true kindness transcends boundaries of race, status, or belief. When a wounded man was left abandoned on the road, it wasn't the priest or the Levite—figures of supposed righteousness—who helped him, but a Samaritan, someone from a group despised by the Jews. This act of selfless compassion reminds us that humanity is bound together not by labels, but by love and mercy. In a world that often turns a blind eye to suffering, we must choose to be Good Samaritans—offering help not just when it's convenient, but when it's needed most. Luke 10:25-37

TOGETHER

we can make

a difference

...

Haiti is facing an unprecedented crisis—gang violence, hunger, and sickness have left countless families in despair. Hopelessness looms as communities struggle to survive each day. But amidst the darkness, we can be the light. Join us in bringing hope to the most vulnerable—Haiti's children. Your support can provide food, medical care, and safety to those who need it most. Together, we can make a difference. Thank you!

Luke 10:33-34

"Then a despised Samaritan came along, and when he saw the man, he felt compassion for him". The Samaritan then bandaged the man's wounds with olive oil and wine, put him on his donkey, and took him to an inn.

2 Main Focus Projects for this year:

Project 1: Class Set Student Learning Tablets

Goal: Provide students with learning tablets to unlock their potential through technology.
Impact: Empower students at MPCS with the tools they need to thrive in today's digital world, opening doors to creativity, exploration, and academic success. We need a minimum of 30-60 learning tablets to start the school year.

Project 2: Power with Solar Panels

Goal: Install solar panels to sustainably power Morne Pele Christian School.
Impact: Give the school a reliable, eco-friendly energy source, ensuring that students and staff always have the power they need to learn, grow, and succeed.

When donating you can specify which project you are contributing too. Follow the steps in the "How to give" section.

Thank you!
