How can I support?

We are so excited that you are coming on this journey with us as Morne Pele Christian School is growing into the vision God has for it! There are many ways to support:

1. Stay up to date with our newsletter so you can see all that God is doing through the school.

2. Financial Support is really appreciated! If you would like to become a donor, please see the "How to Give" Section.

3. YOUR PRAYERS! We believe that prayer moves mountains!

September 2025

"Give thanks to the LORD, for He is good; His love endures forever."

Psalm 107:1

Give Thanks

Dear Friends and Family in Christ,

This September, our hearts overflow with gratitude as we reflect on God's goodness and faithfulness. We are thrilled to share a testimony of His provision that has brought hope and life to our school and community.

Through the generosity of Living Water and the power of prayer, a well has been dug, providing clean, safe water for our students, their families, and our neighbors. What was once a daily struggle has now become a powerful reminder that God sees our needs and answers in His perfect timing. Water is life, and now every drop reminds us of the Living Water—Jesus Christ—who refreshes our souls and fills us with joy. This blessing has transformed not only our physical well-being but also strengthened our faith as a community.

...

"Let Your Light Shine"

"Let your light shine before others, that they may see your good deeds and glorify your Father in heaven." – Matthew 5:16

...

Prayer Answered! Hallelujah

Prayer Request: *Lord, I pray that You provide a clean and lasting spring of water for our school in Haiti. May it be a source of life, health, and a testimony of Your faithful provision.*

A Season of Thanks

As we welcome the opening of our school, we pause to thank God for all our brothers and sisters and friends! And the gift of clean water.

We invite you to join us in the heart of thanksgiving, sharing this testimony with others, and remembering that every blessing is an opportunity to praise Him.

May we always drink deeply from His Living Water and be a well of hope to those around us, In Christ's Love.

Our Next Big Focus: Bringing Solar Power to Our School WITH INTERNET

As we give thanks for the incredible gift of clean water, we are also looking ahead to our next urgent need: a solar power system for our school. There is no electricity or internet in the area. Reliable electricity is essential for our students to learn and thrive. It would allow us to provide lighting for classrooms, power for essential equipment, and a safer environment for both students and teachers. It would make it possible for us to install **StarLink** for internet access.

How You Can Help In Powering Hope

We are prayerfully seeking financial support to make this dream a reality. Every contribution, large or small, brings us one step closer to creating a sustainable solution that will bless our students for years to come.

Your generosity will help us:

- Install a solar power system for the school
- Provide consistent electricity for classrooms
- Create a safer, brighter, and more effective learning environment
- Include **StarLink** for internet access

We believe that just as God provided water for our community, He will also provide the light we need—through the kindness and partnership of friends like you.

If you feel led to give or know someone who might be able to help, please partner with us in this mission. Together, we can bring light—both physical and spiritual—to our school.

How To Give

We have partnered with **"World Outreach Ministries,"** and the giving process is super easy!
Simply follow the steps below:

Contribution can be made to **Morne Pele Christian School account #848** (through the world outreach website).

Online	www.worldoutreach.org/848 ▪ Click → **DONATE** ➔ **Donate to A Missionary** ➔ Type in the missionary's name: **Marlene Felix – Haiti**
