

SOCIAL ENTERPRISE CHICAGO

Growing Mission-Driven Ventures

ABOUT US

Social Enterprise Chicago (SocEntChi) originated and evolved from the Social Enterprise Alliance Chicago Chapter. We became established as a fully independent 501c3 nonprofit organization in 2020. SocEntChi is currently governed by a nine-member board of directors experienced in social entrepreneurship, organizational development, nonprofit marketing, fund development, corporate law, and emerging global markets.

As a convener, collaborator, and catalyst; Social Enterprise Chicago (SocEntChi) leverages thought leadership to empower the Greater Chicago metropolitan area for-profit, nonprofit and hybrid ventures who seek earned-revenue strategies to advance positive social change. We engage in advocacy, capacity building, and networking initiatives. Social Enterprise Chicago (SocEntChi) supports the social enterprise community's development through partnerships and activities that educate, incubate and accelerate the field's development and growth.

SocEntChi seeks to form strategic alliances with Institutions of Higher Education, Government Entities, Mission Driven Ventures, and Socially Responsible Corporations in ways that align with our mission and benefit mission driven organizations.
