## Fireworks Poem

Fireworks, fireworks up in the sky,  
Red, white, and blue for the Fourth of July!

Come on everybody let's move and shake!

## Notes From the Admin Team

- Make sure you are acknowledging correspondence from an administrator, so we know that you received it, or if we must try another way to contact.
  - Do not say that you are going to reach out to a family if you are not intending on doing so/ let us know if something comes up and your availability changes or whatever else.
  - You should be engaged with kiddos/doing something for the kiddo through your WHOLE SHIFT unless the client is doing something (e.g., potty, shower, changing, etc.) that requires privacy. There are always goals to work on, and if you are on a break from goals, there are a lot of other non-goal-based fun activities that you can participate in in between working on goals.
  - The only reason that you should be on your phone during a shift is if there is an emergency or if you are logging a shift.
  - If you are ever not sure about something, ask, do not assume.
  - It is expected that you will attend Wraparound Meetings if the child that you are working with has a Wraparound Facilitator – if you cannot attend, please let the facilitator who sent the invite know. Do not just ignore the invite.
  - Being tardy to a high number of shifts or consistently calling out of shifts may result in a write-up.
-
