

2023 - 2024 Klein Cain Band Association Sponsorship Appeal

Now in our seventh season, Klein Cain plans to continue building a highly successful and accomplished band program. As we prepare for our band season, Klein Cain Band Association needs your help.

What is the Klein Cain Band Association (KCBA)?

a non-profit 501(c)3 organization responsible for managing the budget and logistics of the band and color guard programs

Why support KCBA?

Visibility in the Klein Cain community and wherever the band travels

- community stretches from Louetta to 2920 and across from Stuebner Airline to 249 (neighborhoods include Gleannloch Farms, Inverness, Memorial Falls, Memorial Springs, Memorial Chase, Laurel Park, Champion Lake Estates, Three Lake Estates, Vintage Lakes, and many more)
- band and color guard travel around the Houston area and beyond

Support Klein Cain programs and the year long commitment of students

- students meet for marching band planning and leadership sessions, rehearsals, and band camp in June, July and August
- strenuous summer work enables the band and color guard to successfully march and perform at football games and marching contests
- the 260+ students we anticipate this year move directly from marching band into concert band or winter guard during which they participate in numerous competitions and concerts

Music programs give students the opportunity to express themselves artistically, build friendships, develop perseverance and commitment, and are invaluable assets to our community and its youth.

- band and color guard members are well rounded students and spend countless hours practicing and perfecting their performance while excelling academically, volunteering, and participating in many additional extra-curricular activities

-over 30% of the top-ten percent of the graduating class of 2023 at Klein Cain were band students

-Klein Cain Bands' strong sense of community provides opportunities for members to grow and develop as student leader

Your support is tax-deductible.

How does your sponsorship help?

-supports KCBA's 2023-2024 budget for continued success and growth throughout the marching and concert seasons

-funds instrument and equipment purchases and supplemental instructors to support our growing program

-provides private lesson scholarships and funding for master classes, transportation expenses, event participation fees, and other band related expenses

-maintains our two trailers - transports gear to games, competitions, and concerts

We thank you for supporting our young performers and hope you are able to experience at least one of their performances this year!
