From the Pastor's Pen . . . .

If we were to create our own savior, a hero of our own making, we could never come up with a more perfect one than our own Lord Jesus Christ! Most of you would be very familiar with who He is and what He has done, and well you should! Hold them dear because they are central to our saving faith! Today, Matthew directs our attention to how He acts. Even His attitude is divine. My hope and prayer to God for you is that you would grow to appreciate the graciousness of Jesus even more today, and that you would live out your appreciation by following in His footsteps in graciously proclaiming His grace.
