Like He did us, His creation, to live in. Before He could come in it, He had to give us the baptism of Fire; then the Holy Ghost come in and live, baptism of Fire. Then, when you get that baptism of Fire, then the Holy Ghost can come in. What? As It does, It burns up everything contrary to the Word, out of you. See? It won't believe nothing else but the Word, because It is the Word. See?

WELCOME TO OUR OCTOBER NEWSLETTER

Dear Readers,

Welcome to our October Newsletter! As we reflect on this past month, our hearts are filled with gratitude for all that the Lord has done among His people. Our Annual Meetings were a truly blessed time of worship, fellowship, powerful preaching, and the Holy Spirit moving among us.

Throughout the meetings, we heard so many powerful testimonies of God's faithfulness and His work in the lives of His people. Hearts were encouraged, faith was strengthened, and we experienced a special time of refreshing, renewal, and restoration.

"Restoration Is On!" was more than a theme; it was something we witnessed throughout our time together. God continues to restore, strengthen, and revive His Church, and we are thankful for every testimony of His goodness.

In this issue, you will find testimonies, highlights, photos, and special moments from our Annual Meetings, along with updates from our church family. We pray that these stories will encourage your faith and remind you that the Spirit of God is still moving in our midst.

Thank you for being a valued part of the Open Door Community Tabernacle family. May we continue to hold fast to the Word, walk in faith, and believe for all that God has ahead.

The Spirit of God is moving in our midst!
Restoration is on!

Yours truly,
ODCT News Team

TESTIMONIALS

BRO. KEEMO WHITE

I was driving for Uber when I picked up a woman who seemed tired and frustrated. As we talked, she shared that three months earlier, she had been diagnosed with stage four cervical cancer. The doctors told her that the cancer was spreading and that she might only have one or two years to live. She was undergoing chemotherapy and was especially concerned about her children.

As she continued sharing her story, my eyes filled with tears, and I switched the radio to a gospel station. She spoke about her love for God and how she was not afraid, but she wished she could have a little more time with her children. She even expressed her desire for God to grant her a small window of time to see how her children were doing when He called her home.

As I listened to her, I heard a voice telling me, ***"You have to pray for this woman."*** I questioned myself, but the voice came again. When we arrived at her destination, I told her, ***"The God you've been talking about told me to pray for you."***

Before praying with her, I shared my testimony of how the Lord had delivered me from my coffin and brought me to that very moment. I then prayed and asked the Lord to grant her a little more time with her children. She began to cry and thanked me.

After she left, I also began to weep, and the song ***"Holy Spirit, Walk with Me"*** came to my remembrance. I am so grateful that the Lord continues to move among His people and remind me to be sensitive to the voice of the Holy Spirit and willing to pray for others wherever He leads me. Amen, God bless you!

BRO. LUIS NASCIMENTO

I had a coworker from Brazil who came to America with his family through the Biden program. Unfortunately, his daughter was sent back to Brazil, while he and his wife remained in America. Later, he received an email requiring him to appear in court regarding his case, which left him feeling sad and discouraged.

At work, I would play songs written by the believers, and they were a blessing to him. I also shared information about the August meetings with him. One day, he approached me and asked what he should do.

I felt moved in my heart to pray with him and give him a handkerchief that had been prayed over during the meetings. Before giving it to him, I shared my testimony of meeting Brother Kenol and Brother Edmond. I reminded him of the message that God can break the law, and I shared the words Brother Edmond had given me during my own court situation: ***"Those who exalt themselves shall be abased."***

We prayed together with tears in our eyes, and I encouraged him to take the handkerchief with him to court and trust the Lord. When he returned the following Tuesday, he shared the wonderful news that ***his case had been dismissed!***

Its so amazing to know the Lord can use His Bride, the songs, and our testimonies to encourage others and strengthen their faith. All glory belongs to God!

WHAT DOES IT MEAN TO BE PART OF THE FAMILY OF GOD?

One of the greatest blessings God has given us is the privilege of being part of His Family. Though we come from different backgrounds, cities, churches, and walks of life, God has brought us together under the rainbow of His love and grace. What unites us is far greater than anything that could separate us. We are connected by the same Lord, the same faith, the same love, and the same purpose.

Being part of God's Family is more than attending meetings together. It is seen in the fellowship, prayers, and support that strengthen believers across different churches. Whether it is the saints in of Bread of Life Tabernacle in Maryland, or the believers of True Vine Tabernacle in Colorado, or the brothers and sisters of Mission Jehovah Jireh in Houston. Each church contributes something special to the Family of God.

We are especially thankful for Bro. Earl and the tremendous blessing he has been to so many believers. As these meetings are his meetings, it is fitting to recognize his friendship, fellowship, service, and unwavering commitment to bringing God's people together. Through the years, his connection with churches across the states and countries has helped strengthen the bonds of fellowship within the Family of God to further the Restoration ministry. Many testimonies from the 2025 Saturday meetings reflected the appreciation and love that believers have for Bro. Earl, highlighting the impact his life and ministry have had on so many.

As many of us gather for The Full Restoration Revival at Wildwood Tabernacle, October 21-25, 2026, may our hearts overflow with gratitude for the Family of God and for faithful brothers like Bro. Earl, whose friendship, fellowship, and dedication have helped bring believers together under the banner of Christ. As Brother Branham said, “His heart is greater for fellowship than ours are. And the reason He makes us that way is because we're offsprings of His. That's what makes us long for fellowship.” May this revival be a wonderful reminder that we are one family, bound together by the same Lord, the same faith, the same love, and the same purpose, rejoicing in the unity that God has so graciously given us.
