$50,000

TIMELINE

Application Opens
2026-08-15

Deadline
Due Mar 30, 2027 (Announced)

TECHNOLOGY ALIGNMENT

Telehealth | Medical Devices | Computing Hardware | Broadband | Outreach & Education Materials

Match Confidence: HIGH

DESCRIPTION

The Wisconsin Department of Veterans Affairs sub-awards Rural Health Transformation Program funds, received through the Wisconsin Department of Health Services, to County and Tribal Veterans Service Offices to develop and field telehealth capabilities for rural Wisconsin veterans. Awards of up to $50,000 reimburse the creation of private telehealth rooms, including purchasing technology, remodelling space for privacy and educating veterans on using the technology. All counties and tribes are eligible except Milwaukee County, which is designated urban.

TECHNOLOGY JUSTIFICATION

WDVA's RHTP grant funds county and tribal veteran telehealth capability: the guidance's template budgets list digital stethoscope, otoscope, 12-lead digital ECG and dermatoscope (Medical Devices) and laptops/tablets (Computing Hardware), and it 'can support installation of cables or fiber optic to your buildings' (Broadband). Outreach & Education Materials: "4) Outreach/Educational Materials: $4,000 TOTAL: $50,000" (WDVA RHTP Telehealth Guidance, Template Budgets - Budget 1 Telehealth Suite (Budget 2 also lists 'Outreach/Education Materials: $4,000')).

RECENT NEWS

[2026-10-05] Wisconsin's veteran telehealth grant under the Rural Health Transformation Program opened on August 15, 2026 and remains open until March 30, 2027. County and Tribal Veterans Service Offices can receive up to $50,000 in reimbursement to create veteran telehealth capabilities, such as private telehealth rooms and the technology to equip them. Applications are taken on a first-come, first-served basis: the first twenty eligible applicants receive 2026-2027
