

# Health and Safety Precautions and Policies

MASAI'S PLAYHOUSE LLC.

24/7 Childcare, Infant Care and Preschool

**The following are health and safety precautions and policies in place at Masai's Playhouse. These policies have been adopted permanently since 2020, in order to provide a safe environment to our family and client families.**

**We hope that these steps taken will be met with understanding and appreciation.**

- At no time will any individuals other than enrolled children be allowed to enter the childcare home during our regular operating hours without prior consent of all enrolled guardians.
- Hands are washed immediately upon entering, before and after meals and any other times as needed, with soap and warm water for a minimum of 30 seconds.
- No shoes worn inside the childcare home at any time
- "Zero Symptom of Illness" Policy strictly enforced. \* see policy handbook
- Steam mopping all hard floors and vacuuming of carpeted areas daily.
- Shampoo carpets biweekly
- Winix air purifiers in use in all childcare areas
- Filter cleaning daily and routine replacement of all Winix air purifier filters.
- Sanitize all hard surface, high traffic areas in childcare spaces using Force of Nature EPA approved sanitizing cleaner, Seventh generation disinfectant spray and wipes at the end of each day and routinely through the day.
- Sanitize all toys and bins daily and disinfecting using a two step cleaning process biweekly
- Deep cleaning of bathrooms including wiping of walls and all surfaces on a weekly basis and daily spot cleaning
- Hand sanitizer available in play room and infant room
- Gloves and disposable changing mats used at each diaper change
- Two step sanitizing of hypoallergenic changing mat after each change
- Sanitizing all infant toys, soft play equipment, bouncers and rockers daily or after each use
- Two step cleaning and sanitizing of nap mats after each use
- Face masks used for any children with pediatrician confirmed allergies, that are exhibiting allergy symptoms
- Sanitizing of cloth face masks after each use, using grapefruit seed extract, tea tree oil and vinegar, then air drying in natural sunlight
- Children whose parents sign a permission to administer form, receive a daily liquid multivitamin and elderberry dose with vitamin c and zinc.
