DESIGNS BY MS MAL_TAS · TASMANIA

Website + Starter Logo Competition

Terms and Conditions · Please read before entering.

WHO CAN ENTER	ONE ENTRY	COMPETITION CLOSES
Tasmanian business owners aged 18+	**Email entry · no purchase**	**11:59 pm AEDT · 16 December 2026**

1. Promoter

The promoter is Designs by Ms Mal_Tas ("Promoter").

2. Eligibility

Entry is open to Tasmanian business owners aged 18 years or older. Entrants must own a business based in Tasmania. Entry is free; no purchase is required.

3. Competition period

Entries open at 12:00 am Tasmania local time on 16 November 2026 and close at 11:59 pm AEDT on 16 December 2026 ("Competition Period"). The Promoter's email receipt time determines when an entry arrives. Late entries are not eligible.

4. How to enter

Email **info.msmaldesigns@gmail.com** during the Competition Period. Include your name, business name, your A–E challenge choice (or another online-business challenge), and a short explanation of how website and branding support could help your business.

One entry per person. If a person sends more than one entry, only their first complete eligible entry will be judged. Comments, likes and shares on social media are not entries.

5. Prizes

Three distinct eligible entrants can win one prize each:

FIRST · Small Business Online Launch Package

- Mobile-friendly, one-page website with up to five sections
- Simple business-name wordmark: one concept + one minor revision
- One custom website banner using winner-supplied content
- Contact and social links
- Go-live setup and domain connection on one agreed, supported platform
- One consolidated website revision round and a short handover

Estimated maximum service value: AUD $500 at the Promoter's standard rates. This is a service-value estimate, not cash, a cash credit or a voucher.

SECOND · One free social-media banner OR one free website hero image, selected by the winner.

THIRD · One free Social Profile Polish for one profile: bio and contact refresh, add a website link, and adapt a banner using winner-supplied content.

All prizes are services supplied at no charge for the stated scope. They are not transferable and cannot be exchanged for cash. The first-prize winner pays domain registration, hosting, subscriptions and other third-party or platform charges. Premium assets, extra pages, e-commerce, booking systems and ongoing management are excluded. Extra work is optional and must be separately agreed and quoted before it begins.

Judging, winners & privacy

Full conditions for the Website + Starter Logo Competition.

6. Judging

This is a judged competition, not a random draw. After entries close, eligible entries will be ranked on:

- clarity of the business's online challenge;
- potential benefit of the prize to that business; and
- fit between the challenge and the prize package.

The highest-ranked eligible entry receives first prize; the next highest-ranked distinct entrant receives second prize; the next receives third prize. Each person can receive only one prize.

7. Winner contact and acceptance

Each winner will be contacted at the email address used to enter and must reply within **14 calendar days** of the Promoter's email to accept. If a winner does not reply within that period, the Promoter may offer that prize to the next highest-ranked eligible entrant using the same judging criteria, and contact them by email.

The winner and Promoter will agree on the information, materials and practical arrangements needed to deliver the prize. Winners must provide accurate business details, final text and suitable content they have permission to use. Platform suitability and timing will be agreed with the Promoter.

8. Privacy & sharing the creative process

Entry information will be used only to administer this competition and contact entrants about it. The Promoter will not sell or rent entrants' personal information or use it for unrelated marketing. The Promoter's email service provider may process email information as needed to receive and manage entries.

Filming or sharing the website design and build process, the winner's business identity or identifiable project materials requires separate written permission. Permission is optional and is not a condition of entry, judging or receiving a prize.

9. General

The Promoter may verify eligibility and completeness of an entry. Entrants confirm they have permission to provide material included in their entry. The competition is run by Designs by Ms Mal_Tas and is not sponsored, endorsed, administered by or associated with Facebook, Instagram or Google.

The competition and these terms are subject to applicable Australian law.
