

Updates and Modifications to Communications Made Simple for Cruisers

Appendix I

HF Marine Operators (WLO Radio)

WLO Radio has taken over all US HF based Marine Operators and is available on many frequencies. To sign up with them call 334-665-5110. Give them a credit card number to keep on file so that if in an emergency you need to make a call you do not have to broadcast your credit card number around the world. They have had my card on file for years and will not charge you for anything but calls made.
