Workforce & Career Pathway Solutions

Building meaningful connections between people, professions, and pathways.

WORKFORCE READINESS | CTAE & CAREER PATHWAYS | EMPLOYER ENGAGEMENT

01

Program Design & Implementation

Build workforce and career exploration programs, integrate CTAE standards, and set up the workflows and tools teams need to run them.

02

Curriculum & Resource Development

Review, refine, and create learning labs, workshops, guides, and toolkits. Align each to relevant grade-level, subject-area, or CTAE standards and embed literacy skills specific to the discipline.

03

Workshops & Professional Learning

Facilitate sessions on employability skills, career readiness, and professional communication for students, educators, and workforce partners.

04

Employer Engagement & Events

Coordinate industry speakers, career exposure experiences, and showcases. Build in opportunities for employers and sponsors to participate.

05

Data Tracking & Program Evaluation

Define outcomes, develop feedback tools, and track participation and results for program improvement and partner reporting.

06

Frameworks & Initiatives

ABCD™ Workforce Readiness Framework • Four E Career Pathways
TwoFourteen Impact Lab • The Workforce Hub
