Primitive Pilgrim Hat

A Handmade Thanksgiving Centerpiece

1 Gather Supplies

Terracotta flowerpot, wooden disk, acrylic paint, foam brush, burlap striped ribbon, buckle, raffia, and berry greenery.

2 Paint the Pieces

Paint the flowerpot and wooden disk black. Let both dry completely.

3 Distress for a Primitive Look

Lightly sand the edges of the pot and disk to give a worn, primitive finish.

4 Assemble the Hat

Glue the flowerpot to the center of the wooden disk. Let the glue dry.

5 Add the Band & Buckle

Wrap a buffalo check ribbon around the pot. Glue in place and add a buckle to the front.

6 Finish the Centerpiece

Add greenery, cotton, pinecone, and berries. Attach a “Thankful” tag to complete your centerpiece.

Dollar Tree Decoupage Spoon Turkey Pumpkin

Supplies:

- Wooden serving spoons (Dollar Tree)
- Pumpkin (real or craft)
- Fall design napkins
- Mod Podge (or decoupage glue)
- Permanent marker (for eyes)
- Felt (orange & red)
- Raffia or twine (bow)
- Hot glue gun & glue sticks
- Scissors

Step-by-Step Instructions

1 Decoupage the Spoons

Cut napkin pieces to fit the spoon heads. Brush on Mod Podge, apply the napkin, smooth it out, and seal with another coat. Let dry.

2 Make the Turkey Head

Paint or stain a wooden spoon for the turkey's head. Use a permanent marker to draw on the eyes. Cut the handle shorter (about 2–3 inches) and add a felt beak and wattle.

3 Add the Feathers

Push the handles of the decoupaged spoons into the pumpkin to create the turkey's feathers. Space them out and vary the heights.

4 Attach the Head

Hot glue the trimmed spoon head to the front of the pumpkin. Add a raffia or twine bow under the head.

5 Finished!

Your Dollar Tree Decoupage Spoon Turkey Pumpkin is Complete!

The SHABBY SHACK

Turkey Wreath

Supplies:

- Wooden embroidery hoop (or small wreath form)
- Burlap
- Assorted fabric strips (about 1"–2" wide and 12"–14" long) – burlap, lace, gingham, plaid, solid fabrics
- Felt for feathers, eyes, beak & wattle
- Hot glue gun & glue sticks
- Scissors

1

Prepare the Hoop

Use a wooden embroidery hoop or a small wreath form.

2

Add the Burlap

Cut a piece of burlap and glue it to the back of the hoop, pulling it tight and trim the excess.

3

Attach the Feathers

Cut feather shapes from felt and glue them to the back of the hoop. Let dry.

4

Add the Fabric Strips

Tie or glue fabric strips around the bottom half of the hoop. Use a mix of burlap, lace, gingham and solids.

5

Add the Face

Cut eyes, beak and wattle from felt. Glue them in the center of the burlap-covered hoop.

6

Finish & Fluff

Adjust the feathers and fabric strips. Trim if needed and fluff for a full textured look.

7

Display

Add a ribbon or twine at the top and hang on your door or wall.
