PLAY IT FORWARD COLOURING PROGRAM

How the Colouring Book Fundraiser Works

1. Choose Your Books

Browse our catalog and collection of colouring books and share with your families, students or group members. With themes ranging from Nature & Animals to Halloween, Fantasy & Imagination, Holidays and Mature Audiences, there's something for a wide range of interests. New designs are addedly regularly.

2. Collect Family Orders

Each family/individual fills out an individual order form, choosing the books they want. You collect the forms and payments and combine them into one group order.

3. Reach Your 50-Book Minimum

Your group needs a minimum combined order of 50 books or collections. You can mix and match any of the available titles to reach your minimum.
You don't have to order 50 copies of the same book.

4. We Print & Deliver

Once we receive your completed order and payment, Creative Barracks handles production through our local printing partner. Your books are ready in approximately 2 weeks. We deliver the completed order to your group. You sort and distribute the books to the families who ordered them and keep the profits for your project.

Simple Pricing. Built-In Fundraising Profit.

Promotions and Details

Families can mix and match titles when purchasing multiple books.

Purchase 1 book for $10 and earn $5, purchase 3 books for $25 and earn $12, purchase 5 books for $35 and earn $15 for your fundraiser.

The more books a family purchases, the better the value, while your school or group earns money with every order.
Minimum group order: 50 books.
Applicable HST is added.
